

## BENEFITS

- Provides sheer, natural coverage and diminishes the look of imperfections
- Keeps skin nourished, hydrated, and protected
- pH-balanced formula protects skin's acid mantle barrier
- Can be used under makeup or alone
- Infused with herbal extracts, essential oils, and age-defying antioxidants

# Product Fact Sheet

## Oi-Lin® Deep Moisture Lotion Sunscreen SPF 25 Tinted

### YOUR DAILY DEFENSE AGAINST SKIN DAMAGE

Lightweight yet deeply hydrating, our tinted SPF moisture lotion minimizes the appearance of imperfections while protecting skin from sun damage and environmental aggressors. This unique formula doubles as a sheer-tinted primer, creating a smooth, noticeably luminous canvas for makeup. Lines are visibly reduced, the appearance of redness is minimized, and skin becomes dewy, even-toned, and flawless looking.

### PHILOSOPHY OF REGENERATION®

Our balanced approach combines cutting-edge science with the wisdom of our Philosophy of Regeneration®, which advocates nourishing, cleansing, and balancing the skin with the finest plant-based ingredients to promote skin health and natural beauty. We use superior ingredients so your pores will never be blocked or suffocated and your skin will breathe just the way Mother Nature intended. Our sunscreens not only provide broad-spectrum protection from UVA/UVB rays, but also moisturize your skin with antioxidants and botanical ingredients.

### INGREDIENT HIGHLIGHTS

#### ALOE

This popular succulent plant soothes skin, helping to support the healing of damage.

#### VITAMIN E

This antioxidant vitamin fights free radicals and is used to protect skin from premature aging and sun damage.

#### BURDOCK

This traditional medicinal plant is used in beauty products for its cleansing and moisturizing properties.

#### COFFEE BEAN EXTRACT

Coffee beans are actually the seeds of the coffee plant, and they are full of free radical-fighting antioxidants, which help protect against premature aging of the skin.

### FAQS

**Q:** Can I skip my go-to foundation if I'm wearing this product?

**A:** It's completely up to you. This product allows you to skip a step during your morning rush because the tint provides just the right amount of coverage for most complexions and adjusts seamlessly to all skin tones. However, on days you may require extra coverage, this product provides a perfect canvas for your traditional foundation.

**Q:** Will I have a heavy "caked-on" look if I reapply it throughout the day?

**A:** No need to worry. The formula is remarkably lightweight, spreadable, and melts into skin for a seamless look. Plus, the beautifying botanical oils provide balancing moisture that won't clog your pores and ruin your look. So go ahead and lay it on!

### RECOMMENDATION

Apply Oi-Lin® Deep Moisture Lotion Sunscreen SPF 25 Tinted to the face and neck in the a.m. Wait at least 20 minutes before heading outdoors. Avoid eye area. Reapply every two hours if outdoors, or as needed.
