

Can You Feel It

**Can you feel it
Tension starts to rise
Body shakes
Sweat gets in your eyes
Well the doors swing open
And you rush the stage
It's way too late
You'll never act your age
And the crush is hard
You think you've broken a rib
But the band's the s* * t
Can you feel it, yeah**

**Can you feel it
Pacific Ocean high
Crazy kook
You live to do or die
Well you're hypothermic
As you face the bowl
And your legs are caught
In the under tow
And the grip is hard
You're over your head
You better duck-dive
Can you feel it, yeah**
