Do you and your family have the health coverage you need?

If you don't have qualifying health coverage, a health insurance plan through the Marketplace can get you and your family covered.

**Certified Application Counselors** will help you find a plan that's right for you and your family.

## Enrollment for the Affordable Care Act (ACA) will be open November 1 through January 15.

If you are currently without health insurance or need additional coverage, now is the time to protect your health and your family by enrolling in a Marketplace insurance plan at [healthcare.gov](http://healthcare.gov).

You may qualify for a special enrollment period due to a qualifying life event such as a loss of coverage, changes in residences, and changes in family status.

Please scan the QR code, call 940-764-8242, or visit [www.unitedregional.org](http://www.unitedregional.org) to schedule an on-site or virtual appointment.
