

West Virginia Offices of the Insurance Commissioner Transitioned to the New Version of SBS

On Thursday, September 19, 2019, the West Virginia Offices of the Insurance Commissioner transitioned to the newest version of State Based Systems (SBS), a web-based NAIC application that supports state insurance regulation functions. This new software solution is a full rewrite of the SBS application. With a modernized user interface and tons of new functionality, SBS is more efficient than ever, streamlining your critical processes and decreasing the time and cost of business for all users. **Review this flyer to see how this transition will affect you and for descriptions and link to the new industry tools.**

CHANGES FOR COMPANIES: Effective September 19, 2019, all active companies will be assigned a new West Virginia company number. Look up your new company number using the free Lookup tool on the SBS website. **Your NAIC company number will remain the same.**

LICENSEES PLEASE NOTE: License Numbers and National Producer Numbers (NPN) assigned to producers, adjusters and insurance agencies will not change.

FREE, New Online Tools

West Virginia Launch Page: Find contact information and links to all SBS tools available for West Virginia on the launch page.

Lookup: A free public lookup tool to view a variety of individual, business entity and company information such as National Producer Number (NPN), license status, license expiration date, NAIC CoCode and much more.

SBS for Organizations: SBS allows organizational users to use a single ID and password to complete important license administration and education provider licensing functions.

Report Generator: Users may create a licensee (individual and/or business entity) mailing list for a nominal fee using a wide variety of criteria.

License Manager:

- **View License Information:** Users can verify a licensee's NPN, license status, license expiration date, CE information and more.
- **Print Your License:** SBS provides free unlimited license printing for licensees in your state.
- **Licensee Notifications:** Licensees and business entities may view and update email addresses in real-time through this online tool.

SBS for Organizations

SBS for Organizations, formerly Online Licensee Services, is an optional subscription service offering convenience to users using a single ID and password across all SBS jurisdictions. License administrators can print licenses and education transcripts, update addresses for business entities, view detailed license information and receive important system and email notifications.
