## Recent Events

Elizabeth Hopkins, President of the North Suffolk Rotary Club, talked to our club about securing yourself in this connected era. She is also an associate with LegalShield. Her work allows her to keep up with and research all kinds of nefarious activities. Her message was to be aware, to be vigilant, and how to keep ones' self safe.

Leslie Jingdate from the Avalon Center described their focus on domestic and sexual violence. Through counseling, emergency shelter, transitional housing, legal advocacy, and more; they try to get people out of bad situations and on to the road to a better life. A difficult subject to talk about, but Leslie handled it with passion and information.
