

Anita Russell

How long have you been with the agency? 10 years

Who is one of your hero's? My mother...She is the most caring & patient person I know. I strive to be the person she raised me to be & make her proud every day.

What do you like to do in your spare time? I play darts & help with the high school wrestling team

What experience do you bring to the agency? Since I have been with the agency for 10 years, I have extensive knowledge in the CSBG & LIHEAP programs. I am also very familiar with all the other programs we offer throughout the agency.

Why are you in nonprofit work? I like to make a difference in our communities by helping people.

What is something quirky about you? I can say the alphabet backwards faster than I can say it forwards.
