TEXOMA VINTAGE/CLASSIC CAR CLUB—OUR 47TH YEAR
 WWW.TEXOMAVINTAGECCC.COM

President's Message

I hope everyone is staying cool during the dog days of August? Hopefully it won't be long until we some cooler weather.

I also hope that everyone had a little time to get away from the daily grind and go somewhere or just sit around and visit with family and friends.

With school right around the corner, it gets us closer to the fall car show season. Please check the car show schedule on page 2. There are several coming up in our area in September. There were some shows in the area in late July and

early August that I attended—Iron Root Distillery in Denison, Cars & Coffee in downtown Denison, and Rudders & Rods held out at Highport Marina, classic Chris Craft boats and classic cars, what a combination. Lots of spectators.

The car show committee met on August 7 to discuss not only our car show next spring, but the Fall Festival Car Show coming up on October 5. In regards to the Fall Festival car show, we will need volunteers to help with the show again this year. Remember that all mon-

ey raised goes to the club.

On another note, we will have an announcement concerning our spring show, something that we have been working on for several years.

Our meeting this month will be held at Buck Snort BBQ in Van Alstyne, Texas, 6:30pm.

See ya there.

Robert

Several of you have inquired about the name badges that several of us have. I will have a sign up sheet at the meeting if you would like to order one. I will also have the price.

We will vote on our organization or individual that we will donate money to this year at the meeting. Meals-on-Wheels is our main donee, and we will choose another one.

We may not be able to give as much as we have given in the past, but whatever we give the organizations will be excited to receive any amount.
