

LOOKING THROUGH THE EYES OF THE JUDGE

Obedience Handling Skills Clinic

THE GOOD ~ THE BAD ~ & THE UGLY!!

Chino Valley Canine Training Club is proud to announce this handling skills clinic with two well-known AKC Obedience Judges, Carol Ribeck and Marina Pavlovsky! They will be demonstrating correct handling skills and highlighting the most common mistakes made by Obedience exhibitors. Each class exercise for Novice, Open & Utility will be performed by one judge and her dog who are acting as the exhibitor/dog team with the second judge running the team through the exercises.

Mistakes will be made!!

The audience will then be asked to spot them ~ a question and answer period will follow each exercise.
