A Word For My Brides

March 7th, 2024

The Lord bless you my sweet family, thank you so much for your endurance and faithfulness to our ministry. Please continue to pray for me, the stormy weather has really slowed me down. If you have fibro or arthritis, you can predict the storms with more accuracy than the weatherman! And the Lord is certainly blessing us with water.

The last night I was able to spend time with Jesus, in such a way that He was truly present to me. Any more of Him would have caused me to pass out, so loving was His presence.

Lord, thank You so much for last night. I wish every night could be that way.

Jesus replied, *“And who said it could not?”*

I am just guessing that You cannot always be that way with me because You want me to sacrifice for others so they can experience Your sweet love as an offering.

He did not reply to that, so I asked Him, what is on Your heart, Lord?

He replied, *“In this moment, you, and all My other Brides, I can hardly contain Myself so great is My anticipation to show you all I have created for you because you were faithful. Truly, it is even a penance for Me to have to wait. If only I could have you here with Me now and spare you all the sorrows that come on this Earth, especially now. But I too must wait, My Beloved. I too must make the best of the time left to Me. I too must endure many sufferings as I see you suffer, and especially the little innocents that are being brutally abused by men who resemble animals more than men made in My image.*

“The sins of men against children are atrocious, and they break My heart. But My Father has His reasons for allowing it to go on even one more second. And this I must honor for it truly is His Holy and inscrutable will. But many graces are given to these innocent ones so they will not suffer as men want them to suffer.

“There is no reason for what is being done to the little ones and babies, no sane reason whatsoever. It is the wrath of Satan on them that is manifesting, but I can also intervene and remove their souls from their little bodies. This is how you are to pray, ‘Father in Heaven, I implore You to loose the soul and spirit from these little ones that are being mercilessly tortured by Satan through the brutality and ignorance of men.’

He continued, *“It is Satan’s hatred for Me that propels him into doing the unthinkable to the indefensible. It is all about his hatred of Me, and that his time is short and coming to an end on the Earth with mortals, at least for the thousand-year reign.”*

Is there anything else Lord?

“How would you like to write five more books?”

I thought to myself, I hope that is not a hint of how long till the Rapture.

I believe He said this tongue in cheek, well, at least I hope so.

Uh, Lord, of course I would if it were through You, if given the chance, there is so much more to say.

Lord, You are not asking me to devote more time to this writing, are You?

“I am Beloved, truly I am. However, you become distracted and pulled off course so easily, but let us do what we can do I have so much to say to you, My Brides.

“I love you to absolute distraction and I must say, the suffering you endure waiting for Me is nothing like what I suffer waiting for you, and watching you overcome faithfully every day, but I do love to dance with you during your dwelling prayer time, it makes the present only more bearable for Me.

“You see, it is your tender love and affection for Me heals Me of the indifference of men. It is the sweetness in your heart that brightens My hope for the whole human race. And your example to others is so very needed. You see, they do not believe I need your love, your gratitude, your tender gestures of love, such as kissing Me before you receive the Eucharist.”

And here He is talking about the little act of kissing the Host, kissing Him before I place it in my mouth.

He continued, *“It is these little acts of affection that warm My heart; a heart that languishes because of the indifference of My church. This may seem odd to others, but is it not what you do when you greet one another? How much more should you greet Me?”*

“My Brides, you are much closer to Me than those who have not made that same commitment. You are not only My Brides but also My familiar friends. Indeed, I love to listen to you talk about Me and those you care for. I am the head of this family, and that is what families do. They plan together, so why should I be absent from you? Include Me in your daily conversations after prayer. This practice is pleasing to Me as long as you do not forget that I am in the room.

“I love the genuine respect and honor from My church in the Eucharist, but I also love to be a real part of your lives as My family. It is not sacrilegious; it is a blessing for Me that I am included. When it is time, speak kindly to Me and return Me to the tabernacle. I want you, with all My heart, to live with Me twenty-four seven and be constantly aware of My presence.

“I am interested in the littlest parts of your day, even enjoying petting your kitty and all your pets. I created them to bring you joy and why shouldn't we enjoy them together? This is the trouble with my church, she has become stiff, indifferent, and distant. This is not the living relationship I have in mind for you. I am to be an integral part of your life, when you are in pain, when you are in joy, even when you are bored. In all these times I am present to you, and we are doing these things together. The challenge is, can you keep your heart and mind focused on Me? If you can, there is no limit to what we can do together. Strive, My Bride, to be aware of Me beside you and in your heart at all times, I will help you if you truly make the effort.”

Oh Lord, I want this with all my heart.

He replied, *“You are getting better at it, but there are more curiosities you must say ‘no’ to. It is My joy to be in your sentient presence, My Bride. Truly it is My joy, and I love when you return the attention to Me. I am with you in this practice, persevere, you will have breakthroughs.”*

And I want to add to this: This is what the monks do on Mount Athos, in the deserts, in the tundra, inside the area. In all different remote places, they completely envelop themselves in the Lord. They cut out every distraction, of the world and of the flesh. And because of that, they are so united to the Lord that they can minister incredible miracles to those in need, even bi- location.

Healings, waiting hearts, explaining what they must do in their lives with the challenges that face them. They know what troubles souls even before the soul ever arrives at the hermitage, they are aware of the problem they are dealing with and have the answer from the Lord. It is a beautiful, beautiful practice, and how wonderful it is to be immersed in the Lord all the time. He loves it, just as much as we do.

Civil War

March 11th, 2024

“A furious squall came up, and the waves broke over the boat, so that it was nearly swamped. Jesus was in the stern, sleeping on a cushion. The disciples woke Him and said to Him, ‘Teacher, don’t you care if we drown?’ He got up, rebuked the wind and said to the waves, ‘Quiet! Be still!’ Then the wind died down and it was completely calm.” That’s found in Mark 4:37-39.

Jesus began speaking, *“I wish to be united to you always Beloved. You are entering rough waters and I am your lifesaver, anchor, and helmsman. Without Me you can do nothing, and conversely, with Me all things are possible to you. Do you understand? I do not use those words lightly, rather with great weight and meaning. Hang on to Me in your rough ride. You are not limited to receiving Me once. You may receive Me twice. I am with you in the calm and with you in the choppy waters and with you when the big waves threaten. Your ship is secure in Me, it shall not sink. So, please put those thoughts far from you.”*

“I don’t know what to do about James Kawalya, I have not heard back from him?”

“Take what is good and leave off with the rest. He is a general in My army and the demands on him are enormous. He is doing his very best, Clare, with what he has. The opposition against him is enormous. All the calumniators are formidable, but those with discernment will not join their ranks. He is getting the same kind of treatment you got, except much, much worse, so do pray for him.”

Dear Channel, pray for James Kawalya and please use the same protection prayers he says every day.

Jesus continued, *“The tiniest things, which very often are traps to enslave you to do useless work. Let your family take care of those things, but you, cling to Me with the work I give you. You have so much to gain with just a little more effort, and so much to lose without it. Hang in there Beloved, I am counting on you. And you do have a breakthrough coming, you know I reward good wills. Cross the finish line My precious Spouse.”*

“With You Jesus We can do all things.”

“That is precisely the Spirit I was looking for, and, yes, the media is programming you for Civil War, it’s all part of their plan to strip this country to nothing, just as this country has stripped others to nothing. However, because of the righteous prayer warriors, missionaries, and those who truly care, America will be sorely punished and reduced, but NOT destroyed. There is a backbone of believers in this country that will have no part in the demi-gods of Satan.”

“Oh Lord, when are You coming?”

“Don’t you wish I knew? Then I would tell you, but it is precisely because I love and sympathize with you so much that My Father has kept that from Me. It is soon My love, in your lifetime.”

“That’s not very hopeful...”

“Sweet Clare, things are coming to a head and wrapping up in this very hour. It won’t be long now. Be faithful to Me Beloved, please be faithful.”

“With all my little heart Lord, I want to be, but only by Your grace is it possible.”

“You have a beautiful little community, that stands united in brotherly love. They are steadfast. They love you, just as I do.”

“Thank you, Jesus, thank you so very much.”

“You’re so very welcome.” And that was the end of His message.

Dear Heartdwellers, we thank you so much for your loving prayers and support. Currently, our donations are very low, dear ones, and we are in need of some basic food and supplies. Any amount would be greatly appreciated and our gratitude is eternal. God bless you and may He keep you in the palm of His hand.

Lamb of God, a very moving song by Ezekiel

December 10, 2014

Lamb of God, Holy Lamb of God,
How You take away my sin. And You cover me with grace and mercy always.
King of Israel.
Lamb of God, Holy Lamb of God.
Bright and Morning Star, shine upon the Heavens.
Lord of Ages, Rose of Sharon.
My Messiah. Oh my fortress.

Comfort For Your Affliction

March 18th, 2024

"This is my comfort in my affliction, that Your word has revived me." That's in Psalm 119:50.

"Lord, I miss You terribly and I feel so lost."

Jesus began, *"Beloved Clare, I am with you here and now in this place in this time. They have spoken mighty curses over you of failure, abandonment, confusion, laziness, and uselessness, but I will lift them from you. All the thoughts you are having come from demons. All of them Clare. They are dark because they come from the dark one. But I am the light and he who trusts in me shall never be put to shame. You are greatly hated in the kingdom of evil ones. Greatly hated. You call a spade a spade. They hate you for that and for your bridal message. You are not alone; you are surrounded by angels and the evil ones are only permitted to threaten you and darken your light. They have very little power over you if you use your weapons and stay the course. Stand up and fight if you want to gain and maintain the victory. You can do this; you are fully equipped."*

"Lord, is there something else I can do to get rid of this darkness?" When I said this, I saw spider webs, angels came and cleaned them. I also saw fire. I am beginning to feel better.

Jesus continued, *“Those webs are made up of thousands of thoughts of things you haven’t done that need to be done, as well as past failures, future threats, everything that causes you anxiety is woven into those web blankets. You know when you feel overwhelmed because you get a sudden picture of all that needs to be done and your total inadequacy to do it, that’s how Satan depresses people, with overwhelm, and you feel impotent in the face of all those things, so you cave. No more Clare, no more caving, you’ve just been blanketed with hopelessness, throw it off, burn it, call your angels, they love it when you ask them for help. Despair and hopelessness are blankets made up of overwhelming thoughts, like, I don’t even know where to start, let alone have the energy to start.”*

“I feel so much better Lord.”

“They were webs. Webs of discouragement and disillusion. Real webs of evil material to cause you to back down, break down, pull away and give up.”

“Oh Jesus, I am feeling better!”

“That’s because I am really with you. I am here Beloved holding your cheeks tenderly and reassuring you that their days are so numbered. Soon they will be no more. Soon the Earth will be filled with the light of the truth and the Gospels.....Soon. In the meantime, you must keep the standard flying and not quit or back down, no matter how you feel.”

“Oh Lord, thank You for being here.”

He answered, *“Thank you for not running away. I know you are tempted to look at the news, but I appreciate your self-control and obedience. It means all the world to Me.”*

Father God began speaking, *“Oh sweet Daughter, collapse in My everlasting arms and be consoled and strengthened. I long to assist you in your struggles, but some of these things you must tackle on your own, so that you may teach others. And you are equipped. Those poor witches, pray for them Clare, they walk in total darkness and have no idea how weak Satan and his demons are. They really believe that they are more powerful than My Son, or even Me. It irks them to no end when they can’t penetrate Our defenses or kill one of Mine. They are living in denial, thinking that Satan is more powerful. Pray for them, truly they are a pitiable lot. Some of them were lured in because they felt helpless or were scandalized by priests and pastors. They could not forgive, they only thought of vengeance like Satan. Had they forgiven and moved on, I would have supplied them with all the weapons necessary to defeat Satan, and they would now be powerful Christian warriors, defeating all the powers of darkness.*

“There is a dynamic they do not understand. I am not the author of wickedness in those who profess to be Christians, Satan is, yet he calls Christian’s hypocrites. What is amazing is that young Satanists fall for his lies and think they are joining forces with the good guys, when in actuality, it was Satan’s demons that caused that priest to lust after young boys and girls, so he could do lifelong damage as well have the grounds to call them hypocrites. These recruits for Satan, cannot see beyond the cover story they’ve been fed by him. So, wanting revenge, they join him in his evil ways, not knowing that it was actually Satan’s demons who caused that priest to sin and set that young boy up to be violated.

“And one final word, they haven’t yet realized that I have more power and I draw the line to limit how far they can go in injuring someone. So, you see, Satan is NOT all powerful. I clip his filthy wings millions of times a day and say, “This far and no further.” When Satanists finally get it, that they are utterly helpless against My will, when they really get it, they may consider joining Me, but for all the wrong reasons. It is not until they are utterly defeated by My Power, such as the young woman who arrested James Kawalya, Satan’s General over Uganda, that they finally break and run to love, something Satan pretends, yet does not in the least bit possess.”

Father God continued, *“You witches of Penasco, Rock Wall, Pueblos, and Taos, remember this when you have reached your end, I love you and will forgive you if you come to My Son repentant. Satan is merely an angel that fell from grace, but Jesus is the Almighty God of My Trinity. And the fact is, I have seen all your evil deeds, but I still love you and want to forgive you and have you in Heaven with Me. So, when you are at the end of your end, remember this, I love you and I will forgive you.”*

The Day We Stand Before God

March 20th, 2024

The Lord bless and keep you, beloved Heart Dwellers.

Lord Jesus, please help me to forsake myself and the world’s empty promises and live only for You. God forbid that I should stand before you empty handed after all you have lavished on me. I want my life to count for the kingdom of God, please save me from my own foolish will. Amen.

Recently, a short story I had written thirty years ago, came to mind. It is on the website Our Lady Light of The Woods and I want to try and provide you with a link to it. It is about the Lord’s call, and how people respond or do not respond.

The Lord Jesus began-The Lord reminded me of this story where He is sitting at the entrance to a cave, tending a fire and in the background are His dedicated servants lying down on the ground in this dark cave sleeping. And recently this came to mind, and I thought of how many people have lost the opportunity to serve the living God because they did not discern properly.

The Lord Jesus, feeling grief in my heart that I was feeling, began to speak to me.

“I know how you feel Clare. It is back to the cave...ultimately it is their choice either to serve Me or serve themselves.”

And when He said back to the cave, it is a reference to that story.

“All that glitters” He continued, “is not gold, and I am eternally the Pearl of great price. But in this world many things call to the flesh of men and so they may choose Me or choose what pleases them most, what they believe will bring them the most happiness. You spent your young life pursuing all those goals and finding out how they lead only to dead ends, fruitlessness, confusion, and misery, forever questioning, ‘What was the purpose of my life, anyway?’

God in His mercy revealed that to me one day in May in a powerful experience, where the Holy Spirit came down like fire into my body and paralyzed me for forty-five minutes as I was having the most incredible conversation with God so full of love and truth, overwhelming. And that is on our website, somewhere, my conversion experience. Unfortunately, that was not the end of my love affair with the world. It took a while; it took quite a while to get me out of the world the way the Lord had in mind.

In fact, after that experience, I wanted to live the way Jesus lived, walking on dusty roads, going from one place to the next sharing the Good News and loosing those bound by the devil. Well, life and time, having children, getting married, all of that, has an impact on our lives, and what we want to do or what we think we want to do may not always be what we are able to do, but the Lord was helping me take a look, really, at what is coming.

He said, *"The day is coming for all on this Earth when there will be an accounting. This will be a time to stand before Me and make an answer for what you did with all the gifts and treasures I gave you. Did you use them to please yourselves? Or did you use them to please Me? Oh, what a treacherous thing it is, 'free will.' Oh, what a very great precipice you stand before when you abandon your vow of obedience and seek a life free from restraint and filled with fancies and pleasures.*

"Oh, how cheaply great souls sell out for their flesh abandoning the calling of self-sacrifice and dying to oneself. What sorrow is theirs at the end of their fruitless lives when they realize they did not live for Me, but for themselves. At that hour they shall be shown the gifts I invested in them and what they could have done with them, what they could have become in My Kingdom. There is no remorse more bitter than looking back on a wasted life and seeing how empty and fruitless it was because you chose the easy way of pleasing yourself and your loved ones.

"And now you are old and at the end of your life and your energy, and there is no way to go back and do it right. Every path seems bright and shiny at first as you look at the new and fresh green grass growing along the way. Enthusiasm, sparkle, hope and myriads of opportunities present themselves like glistening gemstones in the jewelers' showcase. Oh, how new and exciting and full of satisfaction these things seem to be.

"And then the reality sets in. To any path undertaken, there comes a time when you must look at the work involved to maintain such an exciting life, so full of rich opportunities, and then the reality emerges from the glistening surface, and you realize there is hard work, monotony, and trials, gains and losses, good times and bad times, just like the life you grew restless with before this one."

Isn't it so true we grow restless in one place with our life because things seem so difficult, and we are always looking to do something new and fresh and exciting. Monotony is the last thing anyone wants in this world, right?

"And what first seemed so inviting, so fresh and full of possibilities, boils down to hard work and monotony, growing old and becoming very common. And then comes that fateful day when you will stand before Me and make an answer to all the gifts and talents, I lavished on you during your lives.

"My children work for Heavenly rewards, not for fleeting pleasures and curiosities. Build your mansion in Heaven with prayers, good deeds, and self-sacrifice, always, always putting My will first in everything. Unless you do this, you will find yourself pitifully poor before the throne of the Father and not dressed properly for the wedding banquet. Yes, you will look back and see that your house was built with wood, hay and stubble, on shifting sands where the winds of life and the tides of the world easily came in and destroyed what you so lovingly created.

"You cannot serve two masters, a little for God, a little for me, a little for my wife and for my children...a little for God, a little for me, a little for my wife and children...on and on. You have been given the graces in these times and seasons to become saints. Will you then squander them on empty works and stand before Me naked and poor? To whom much has been given, much shall be required. Mother Clare struggles with this understanding, every single hour and day of her life, and these questions in the forefront of her mind direct the path she walks in. Her walk is not perfect, far from it, but the checks and balances she subjects her choices to, keep her on the straight and narrow path of holiness, while others live from day to day following their fancies with no thought of the day they will have to face Me and make an accounting.

"My precious ones, seek Me and My will first, and in the proper time, all that you could ever desire or dream of shall be prepared for you and freely given, without cost. Forsake yourselves and live for Me. It is the truth that he that would lose his life would truly find it, and he that would hold on to and hoard his life will surely lose it. Seek Me and live the true life, the life of the Spirit. I am with you in this."

A Word About Rapture Watch

March 21st, 2024

I just read, "There's more time than you think," from an old message I opened up to from the Rhema II book. What???! "Oh Lord that's one of the worst things I've ever heard. Say it isn't true?"

"In fact, I can't say that, because I don't know. But don't you think I can improve your health a little here, and a little there?"

"How about a lot here and a lot there??"

Jesus answered, *"Your health depends on timing and the necessity. All of that is conjecture right now. Clare, it takes time to launch a world war. It takes a lot of pre-planning and depends on many elements, literally, such as stars and comets. In the meantime, I am creating with My creators and making Heaven more real, to those who do not know Me, and you are one of them. So, get busy. But, in truth, I don't know when He will call it. Honestly, that is kept from Me, don't you think that is frustrating for Me also?"*

"Yes Lord, You are caught in the middle between the Father and your impatient Bride."

He continued, *"I see and feel your plight keenly. I really do. I know how tired you are, I know you want to give up and go home, but **you can do much good in the meantime**. Every day you can do a little good, and it all adds up you know. That's what I want your focus to be. How much good can I do before My Father makes the move? Then you will be caught doing good, not laying back counting stars. Besides the work I give you to do is fun and rewarding. Do you have any idea whatsoever how many people in this world would give anything to be in your position? Oh so many Clare, oh so many. You are very privileged, but don't waste what I have given you, don't waste it Beloved."*

"Lord, I don't feel well."

"It is a cross, but you do have medicine and you do have Me when its just too much, like tonight. Your faith has been compromised, you have been battered with lie after lie after lie, but the real miracle is that you keep on believing and get up and keep going. That is a rare grace. I would talk to you all night like this if you could stay awake."

"I am pooped."

"So, I see. Get a good night's sleep and keep going. You are not unique in this. Christians everywhere are feeling this very same way and you can speak your heart to them, as well as Mine. It is true My people, I do not know the day or the hour, but we are surely in the season. So, it is hard. You all must look for things to do to bring in the harvest, empower and disciple them, then send them out. There was work today that no one did and there will be work tomorrow that no one yet did. That's why I need you all to press in until My Father calls you. Some of you are so gift laden that caravans of camels could not keep up with you. Don't waste those gifts, use them. Leave this document up and we will continue tomorrow. I love you."

"Oh Jesus, I love You, how kind of You to speak to me tonight."

"I care very much about your struggles, and by the way, you are never alone just as the Rhema said tonight."

The next morning. "Oh Lord how do You put up with me?"

"With more love than you could ever imagine."

"Well, I am back and ever so eager to listen."

"Yes, I did call you to bring up the Chronicles again, but don't stop sharing the struggles. These same struggles are afflicting all those around the world, no matter where they are. It is especially difficult for Christians around the world who are being persecuted and driven from their homes with barely the shirt on their backs. How miserable it is for those who have worked for decades to tend the land and build a dwelling, now being driven from the little they had. You are quite rich in perspective, that is why I have called you to share as much as you can and even share what you don't have, meaning to be prudent with your own personal necessities."

Here my dear ones, I want to tell you why the messages have been far between. We have been doing Covenant prayer for several hours and days a week. Praying in tongues can be exhausting, especially when the Lord puts the burden on your shoulders, and you carry it willingly, but because of that, we have not been having our usual prayer time where I receive a message. Although He is forming and teaching us through several hours of praying in tongues, when we are done, we are all very tired even for days afterwards, plus we have to catch up on what we normally do during the week. So, I apologize to you and ask you to please forgive me for not having lots of new messages. Also, I am putting music to some and that takes a lot of time. Please pray for me, my strength is not what it used to be. So, I am waiting on the Lord to supply His strength. I NEED your prayers dear ones, I can't go this alone. I do not know what is being accomplished in Covenant prayer, but I do know the enemy is fighting back and that in itself is a good sign. "Lord, did you want to add anything?"

"Sweet Love, as I have told you before, war is imminent, it is only a matter of time. If you wanted to defeat an enemy, wouldn't you wait until they are at their weakest? Just so you are on the cusp of an internal revolution. The word I gave your Brother, "Chaos will arise from within your border, destruction will come from within your

tent,” applies here. And also the word from Ezekiel, “China is My arrow of judgment on this country.” Understand that the old order of corruption, world domination, and exploitation of the poor, is coming to an end. This country will rise from the ashes in the form she was meant to have and the Roman deities will have no part in this.”

Here I believe He is referring to the paintings adorning the walls of the Capitol Rotunda, in Washington, D. C., Masonic and secret societies. For the Millennium, God will raise up this nation to be all she was called to be, there will be mercy and justice for all. As an aside, one of our brothers said that several Chinese soldiers who came across our border with Mexico, were seen target practicing with sniper rifles here in America.

“Clare, it is all pre-arranged, they do not want to miss the opportunity to stamp out the Great Harlot, America, so there are many avenues of attack being planned. That is only one of many. But you have nothing to concern yourself with, for I am protecting you. And all of you who have committed to warring in prayer, you too will have coverage. Your prayers are used on many different fronts and you will be protected because of your commitment to pray for the world.” And that was the end of His message.

Thank you dear Heartdwellers for joining us in Covenant prayer. Praying for the conversion of the unsaved and for the spiritually distressed, that they will make the right decision and be found on the Father’s side before it’s too late. May God bless you and keep you close to His heart.

Abortion - What You Lose

October 7, 2019

Thank You, Lord, for deepening our understanding of what You are doing when you send a child into our wombs. Please Lord, touch the hearts and minds of those who cannot see what they stand to lose. Amen.

Jesus began, “My Children, I want you to understand many things about the consequences of the act of abortion. The first for your consideration is that it is a sin unto the death of your soul. Murder is a sin which extinguishes the light of the soul and plunges it into deep

darkness.

“If you get an abortion of your own free will, you have committed murder. This is punishable by the sentence of eternity in the fires of Hell. This consequence can only be prevented by sincere contrition and sorrow for your sin. If you are truly sorry, your sin may be pardoned.

“For those in the liturgical churches, it is best if you go to confession to a priest and get absolution from this sin. Even as I have written, speaking to My apostles, Receive the Holy Spirit. If you forgive the sins of anyone they are forgiven; if you retain the sins of anyone, they are retained.” John 20:22

“There is so much more to this sin than meets the eye, My Children. The dire consequences are only the beginning of woes. You have opened a door to Hell by this act, and may find yourself at the mercy of demons,

who have no mercy. I am forever protecting you from the wrath of the enemy. But when you deliberately take a helpless human life, you have stepped out from under My protection. Nevertheless, I do look after you, trying to bring you to repentance. But if that does not happen, then I remove My protection.

"As I said, that is only the beginning. Do you know why I permitted you to get pregnant? Not as a curse, as society commonly calls it. No, not at all! I allowed you to become pregnant to bring you into adulthood and bless you with the company of a precious child. This child was hand-picked by Me, just for you. It has many marvelous attributes and virtues that will bring you joy, help you to learn, and be good company for you.

"The child is not a burden; it is a blessing. And with every blessing, I provide for the needs of the child. And for your needs. And the children being born at this time are extraordinary for their spirituality and wisdom. They have been chosen to bring down the darkness and turn the tide on evil in your society. This is another reason why they are so hated but certain individuals in underground government.

"These children are highly intuitive and connected to Heaven. Their angels are extraordinary, and what they will do for your life is beyond anything you can conceive of. It is the greatest tragedy if you lose this child, for it was meant to bring you out of your selfish, materialistic, and shallow lifestyle.

"No soul with any depth of understanding would murder the child in their womb. This course of action is inspired by Satan, not only to drag you down to Hell, but prevent you from having the fullness of life your baby would have given you.

"The life of another soul is precious beyond what you can imagine. To be entrusted with this is a tremendous gift that will bring you true fulfillment, joy, and understanding. To nurture this gift is the highest wisdom, and to tend to its growth will bring you out of yourself into a dimension of understanding and happiness that you could have no other way.

"Why don't you trust Me with this gift and receive it as the flesh of your flesh and bone of your bone? Give this precious life a chance and yield to its needs.

"Do you know that your chances of a successful marriage are much higher if you have a child? You see, the men who are self-centered and only interested in you while you are young and pretty, don't want the extra responsibility. They are looking out for their pleasure, and consider a woman with a child a burden they don't want to bear. However, a man who truly loves you will love your child, as well. So, this gift of life actually protects you from dishonest and exploitive men who are not suitable marriage material.

"You do not understand it now, but this child will actually be a companion throughout your life, even into your latter years. This one that you invest in will, in turn, become nurturing and protecting for you as you age. You will be broadened by the interests this child brings into your life as you set your heart on raising him or her properly. So much joy will come to you through this child.

"These are things women never think of as they sign the consent form to have this precious son or daughter dismembered, so they can follow their career without being tied down to a dependent. All they needed to know is that I would provide everything for them. And perhaps the direction you are going in with your career will not bring you happiness, after all. And this is one way of turning your attention to the things that will have greater meaning for you.

"Think on these things, My children. Think deeply. What you sow now, you shall reap for eternity. And you can never undo an abortion. Tragically, you lose that child throughout your life on this Earth. You will live to regret it. Please. Consider deeply your actions."

Wow. That's quite a message from the Lord.

Thank you, precious family, for standing with us. Thank you for your prayers and support.

Just a short word on the Refuge. We have finished bringing up materials that will allow us to build during the winter. We also are finishing the foundations for little hermitages, so we can actually build in the winter, as the weather allows.

The little house that is completed is warm and cozy, and the larger Commons building will be going up soon. Then Ezekiel and I will move up there, so we can be with the Community.

The Lord has blessed us with wonderful workers and brothers and sisters. In fact, on the Feast of St. Francis, Nana became Mother Mary Elisha, as she made her Franciscan vows, in the presence of the whole Community. She is our first professed sister. We were all thrilled for her, and now she has her own gray habit and brown scapular. And we struggle each day with her new name!

We have almost all the materials we need to finish the hermitages on the Mountain. We will need composting toilets in the future for the buildings, and some plumbing. But other than that, our only foreseeable expense now is hired labor and renting a Bobcat to finish digging before the ground freezes.

Soon, we will be facing the snow and need some vehicle to pass through 4 feet of snow, coming and going. We will also need funds for a sufficient solar energy system to power our computers and other necessities, so I can make music and get messages out.

We have gotten a great deal done in the month of September, far beyond what we expected. And we thank God profusely for the mercy He has extended to us.

Please continue to pray for us, dear ones. I am doing my best to get several messages out a week, but when events like Nana's profession come up—it's all hands on deck! Cooking for a crew of people is no small task.

Thank you for your faithfulness with donations. We are still giving to the people that work with prostitutes and trafficked children, as well as needing to provide wood for the local families that have none, out on the mesa. Boy, the way they live out on the mesa is third world. They are burning sagebrush to keep their rooms warm. And the ventilation is very poor. So, the children are getting exposed to smoke in their lungs.

We have at least 20 isolated families to take care of with wood, so please. Be generous with your gifts, so they can have heat. The sage brush that they are burning does nothing to keep them warm, so please remember them in your donations. We will take care of them before we use any money on the Refuge.

Also pray for us to get our wood up. With all the other work, we haven't had time to block our wood for the winter, and that time of the year is upon us.

Thank you, dearly loved ones, for staying with us in all our changes. There will be more messages coming very soon. There are days where I am weak, especially after an event with many people, and that's when you don't hear from me. So, please pray daily for my physical strength.

Ezekiel is doing well, but we are really looking forward to the promise given us by a prophetess that he will be completely healed in the wilderness.

Also, pray for our enemies. The Satanic high priestess at the bottom of the Mountain has launched attacks against us in concert with other covens. All glory to God, He protected us. But we pray for her conversion and the conversion of the others who simply do not know who they are serving a liar. My heart sinks when I think what it will be like for them the day they die, if they do not convert. Then it will be too late for them to discover how they have been used and laughed at by Satan, as he promised them the world and sharpens his instruments of torture to receive them.

So, please pray for our enemies.

The Lord bless you, Dear Heartdwellers. Thank you for standing by us. And we are learning some very beautiful lessons on the Mountain, many of which I haven't had a chance to record yet. But they're coming.

The Lord bless you.

Restore What You Have Stolen America

March 25th, 2024

Greetings dear family, today is the second day of our repentance for our sins and the sins of our nation. Lord, thank You for showing up and sharing what we must repent for. Amen.

“Jesus, what would You have us pray for?”

“The abuse of your military. Military is for protecting your country, not for aggression on other nations. There has been far too much interference in the governments of other nations. Abuse, abuse, abuse of power has led to the dissolution of legitimately elected heads of state all over the world. Again and again the cry has been, “Let us interfere and get what is good from their county. Let us set up our own governments to steal, rape and plunder what they have that we want for ourselves.”

“Genocides, genocides, genocides, unmentionable crimes against humanity. America, you have a lot coming to you for the corrupt politicians that have used force to control other countries. If I were to pay back to those you have stolen from, there would be nothing left of your country. But I have been merciful because of those in this nation who have shown great charity to the poor, that is the only thing preventing Me from annihilating you.

“Cry out, My Christian people, against what your nation has done and against yourselves for not putting a stop to it. But the day is coming, yes, indeed it is sure to come, when those who have despoiled the people of the world of their livelihoods, their resources, their health and education, all things good and decent for each nation to flourish, things I Myself provided them with, the day is coming when payback will be required of you, America, and you will learn to live for the welfare of others, not your own. Be the good Samaritan to the poor of this world and I, Myself, will establish your resources and prosperity.

“But in the meantime, I say to you, no more genocides, no more raping and pillaging, no more stripping away what rightfully belongs to others. I will no longer delay the retribution coming to you, you will feel the depths of My wrath for what you are now doing. I desire justice and repentance from you, My people. “Cry out! No longer shut your eyes to what your military and elected officials are doing. Stand up and cry out against them, restore justice, restore what you have stolen, for this I will surely have mercy on you and your future children. And that was the end of His message.

Mother Clare added, I see the dead bodies of little African children piled high, the fruit of our iniquity. They seem to be mostly in the Congo. Soldiers are piling them onto a large truck. The soldiers are wearing jungle green khaki with berets that have a red badge on them. One of our sisters saw blood coming down and covering the earth. Another saw two flags, one of which had a crescent moon and star. There were two men, one in brown military garb and the other, bald, wearing a suit standing below the flags.

Our country is in the middle of a great battle for souls, dear ones, and we know that the best way for us to battle is in prayer. And the best source to turn to is not the news or social media, but the very Word of God.

Despite our different denominations, political parties, and opinions, we are all united by the power of prayer and the blood of Jesus. We are told in James 5:16 that *“The earnest prayer of a righteous person has great power and produces wonderful results.”* We may not be able to change other peoples’ hearts or minds with our words, but we have the power to pray for them and to see God do miracles in their hearts through our prayers. Amen!

A Chronicle of the Bride - I Will Give You Perfect Love

March 26th, 2024

This is a beautiful Chronicles of The Bride that came from Ezekiel’s journal.

My Lord, what a wonderful surprise that You would meet me here, in this special place again. My wife has just finished reading to me one of the chapters of the previous Chronicles, I find myself transported to a similar scene with You. There are large willows, swinging and dancing about in the pleasant evening breeze. I, too, find myself on a freestanding swing, with You beside me, gently pushing me back and forth, and gliding me softly through the air.

I hold onto the vines on either side, and let my head fall back, my long blonde hair sweeps the tops of the grasses below. (Ezekiel always sees his soul as the Bride when he is with Jesus.) I do not feel the typical dizziness that comes with swinging in this way, much as we did when we all were little children. But I did want to see Your Face, and gaze into Your beautiful eyes, Jesus. Even as I was thinking this, You steadied the vines, and the swing came to a stop.

What is it, Lord? I asked.

“You wanted to look into My eyes, My dear one, I so love to gaze into your eyes as well. So much, for so little.”

Again, I am asking Jesus what He means.

“Beloved, when I look into your eyes, the window to your soul, I can refresh Myself within the garden of your heart. It is there that the Father and I dwell together, as one with the Holy Spirit. And before you ask Me why we are here, let me tell you, My Love, it is because of the great love that you bear for Me, for Us, and for the Church, the world, and all souls. Recall that you have asked for Me to grant this to you, the gift of true love for souls. Therefore, your request has been granted, even though you do not always feel it inside, it is there, nonetheless.

Lord, when I asked you two days ago why certain trials were taking place, You replied that it was because I am selfish, yet You tell me that You have granted me this gift of love.

“Your selfishness is in fact a vice that you will have to struggle with, however you alone cannot overcome this vice. Once again, ask Me, and in My time, and in My way, I will overshadow this weakness within you, and I will obliterate it with the power of My own love.

“There will again come a day when you will reach out to everyone with My supernatural love, just as in your first days, and even greater still. For now, ask Me every day- morning, noon, and night, to love everyone through you. This will help you to avoid harshness and judgement, and you will grow quickly in unselfishness, as you resemble Me more and more in giving your whole life for My Body, the Church, for the world, and yes, for all souls.”

Amen! Thank You, Lord, for such a beautiful Chronicle.

The Secret Wedding - Chronicals of the Bride 1

March 27th, 2024

Chapter 1, the Wedding and the Palace:

Transported during prayer, I found myself in a castle courtyard on a cloudy day, surrounded by Irish saints I recognized from familiar Celtic icons. St. Ita brought me a fine bay horse fully saddled and helped me astride. I turned briskly and rode out of the castle walls, into an ancient oak forest at a full canter, having no idea where I was going, just knowing I must go. The medieval lane was densely overgrown and foreboding on either side, yet I told myself, 'This is no time for fear. Just keep riding.'

After a very short while, I arrived at a clearing with yet another castle, the draw bridge was down, and before I knew it my mount passed without hesitation, over the bridge and inside the walls where she came to a halt. As I looked for some sign of life, the drawbridge mysteriously went up and its massive doors closed behind me. Strangely, I felt safe even though the courtyard and balconies were completely deserted. I dismounted and began to explore a lengthy stone corridor ending at two massive doors. Without hesitation I opened one and stepped into a small Gothic chapel with graceful pillars supporting filigreed arches. High above the altar was a spectacular rosette window, showering gently diffused colors all throughout the lofty chamber.

There was not a soul in the whole place. It seemed like a secret chapel in a fairy tale land. I wondered, "Why am I here?" Before I could even consider the answer, the rosette window exploded with color and the Lord Jesus descended into the room amidst a golden shaft of light. He was dressed in a festive white bridal garment and stood in the front of the church as if waiting for His Bride. A wave of sweetness rushed into me when our eyes met and I realized it was our wedding day, and He was waiting for *me*.

In the next moment, I was taken out of my body looking down on this whole scene from the choir loft high in the back of the church. I saw myself standing in the very center of the church, dressed in an exquisite wedding gown adorned with pearlescent folded dove wings from the back of my neck to my waist, and from there down shimmery white satin embroidered with pearls sweeping three feet on either side onto the marble floor. A glorious rosette of angels surrounded me, they were plaiting my hair with pearls and working beneath my veil to put the finishing touches in my hair, preparing me for my Heavenly Spouse.

Finally, they were finished and an angel stepped forward, after a moment's consideration I realized, "You are my guardian angel..." I had never seen him with such clarity before. He was tall, light haired and had a bearing of stately dignity, formidable power, yet emanating a gentleness wrapped in a soft platinum light. He took one last look at me, his sparkling eyes betraying a hint of bittersweet joy. This was his last day with me, the day we had all been waiting for, the day he would deliver me safe and sound to my heavenly spouse, his assignment successfully accomplished.

A lightening swift thought pierced my heart, "How can I thank you my angel? How can I **ever** thank you for faithfully standing by me and rarely getting an acknowledgment from me? How can I ever...?" He kissed my cheek and lifted my arm onto his as we processed up the isle to Jesus who was beaming with anticipation. It was a fairy tale wedding beyond my comprehension. It was as if my own actions were completely suspended and I was riding an invisible escalator moving me along to the inevitable destiny of joy I had looked forward to all my Christian life.

As I stood before the Lord, the love of my life, the One who had forgiven me failure after failure, the One who never tired of giving me another chance, the one who upheld me and had to live with my darkest side; as I stood before Him, that old life disappeared like a muddy river flowing into a pristine ocean of mercy....completely cleansing it of every impurity. He took a golden ring with three sparkling marquis diamonds and placed it on my finger saying, "**With this ring, I thee wed.**" and kissed me tenderly. Then, grasping my right hand, we began to lift off the cathedral floor into the air until we had ascended through the rosette window heavenward. I felt enveloped in a sacred wonder that carried me aloft with the spouse of my immortal soul.

Diving For Pearls

March 29th, 2024

Lord, please forgive our impatience in prayer and teach us how to wait on You. Amen.

So, when I came into prayer and I asked the Lord, what is on Your heart today?

He immediately answered me and said, *“You need to press in more in prayer. I am there for you, but you give up too quickly. Will you Beloved, for both our sakes, linger, expectantly? When you come into prayer, I am there for you, but there are times when I want to see how genuine your desire is...so linger with Me, Beloved. Do not be so quick to move onto other things. How can you teach others how to wait on Me, if you still are not able to do so? Wait expectantly, and I will not disappoint.”*

I am sorry, Lord.

“You used to wait for a fish to take your bait, am I not more precious to you than the fish?”

I am truly sorry, Lord.

“There are times when I want you to wait, yet there are other times when I come quickly. This holds true for all souls who sincerely seek Me out. Beloved ones, your lifestyles are so hyper and fast that waiting tranquilly in prayer, for Me, is difficult for you. The pace of your lives is set up to help you miss opportunities of all kinds. You must study yourselves to see if you are really praying and waiting on Me, or just trying to get it done to move on with other things.”

Wow! That is me, all right, that is guilty.

“I am always ready to touch and direct the soul who sincerely waits on Me, knowing that hearing from the Almighty is no small matter and not to be taken lightly. It is a worthy pursuit, one worth every difficulty and trial to obtain. And I will let you in on a little secret- I long to see a soul pursuing Me and waiting on Me. There is little in this world that is more precious than the soul who thinks nothing of waiting before me for hours, just for the joy of knowing Me.

“This is why these men leave the world and go out into the desert, forsaking all the delights of civilized life for just one sweet touch from Me.”

And here He is referring to the Orthodox monks, we have been- Ezekiel and I have been watching the Orthodox monks lately, and the life that they lead out in the desert. And their closeness to the Lord is beautiful, beautiful, they have forsaken everything to be with Him. And that is what we want to do, too, but we are quite a way away from that.

So, He said, *“This is why men leave the world and go out into the desert, forsaking all their likes of civilized life for just one sweet touch from Me. Shall I disappoint them? Never, they are My delight as they wait, and I listen to their deepest thoughts. Remember the analogy I gave you about the difference of wading into the ocean, from swimming in the ocean, to floating on the ocean, to surfing the waves, comparing all these activities to the one that I love most, diving for pearls?”*

“Yes, to have those lovely pearls you must dive deep, going all the way to the bottom. In this case the swimmer is single minded, all he cares about is getting to the very bottom and harvesting the pearls, even until he finds one of great price. This is what prayer is all about, attaining to the pearl of great price.

“There are times when I speak to you immediately and other times when I need to reach deep inside your heart to communicate what is precious to Me. This requires a stillness of soul, a resting in Me so that I may impart the deeper things to you. Most people think of all they could be getting done when prayer is taking more time, and when I am not coming immediately. They become impatient and give up, thinking there is more value in spending their time doing things, rather than spending all that time just waiting for Me to speak to them.

“But they do not understand how very much I delight in their company. If I answer them immediately, they are soon satisfied and leave My Holy presence. But if I do not come forth immediately, they must wait for Me, and I love being in their undivided presence. Do you really believe Me when I tell you that I miss you?”

Yes Lord, I do.

“Well then, My Beloved, demonstrate that to Me because I long for your company. Truly I do.”

So, I asked Him, what about when I sing to You on the keyboard?

“Precious, that time is precious, especially when you truly enter into it and are not distracted by getting it just right.”

Lord, would you please teach me how to do that?

“All the time I am teaching you, but you must learn to focus on Me and not be drawn off course trying to get it right. There is no easy way, it takes practice, My Dove.”

But do You enjoy the practice?

“Once you settle into a song, meaning it with your whole heart, I love it. Visualize Me beside you on the keyboard, delighting in every note and the sound of your voice so tenderly. I will help you get past the awkwardness so that you may truly enter into worship. Just keep the songs simple and we will do this together. Yes, I derive great joy from this endeavor, but skill comes with practice and repetition.”

And I just said to Him, Lord, I believe, help my unbelief. It is hard to keep my mind on Him when I do not know a song. And I do not know very many songs, not to be able to play them from start to finish, right? But I can sing them but cannot always play them. And it is very precious when the Spirit falls when I am playing the keyboard, you can really feel the difference.

And what I was thinking just now is the enemy is going to use this against me. They are going to say, ‘See that, that is what the Lord wants her to do so we are going to make her more impatient, right, and make things more’- but that is what -they hate when you get close to the Lord and when you pray, they hate it, so they do everything in their power to distract you, disrupt you, make you feel guilty for not doing something else-

These demons, that are sent out to cause problems when we are praying, we need to cut through that, we need to exorcise them with our swords and take control over those interruptions and those distractions and not let them get away with it, because this is what they live for. They live to separate us from God, and the Satanists send them out on those assignments continually.

So, I am looking back now on what He is saying, and that I have been impatient, and left prayer. I do not like

that, and I do not want to be that way, so I am going to pray for his help and really make an effort, and for the rest of you guys, when you say prayer is dry, I think one of the reasons is you do not linger long enough, huh? Does anyone want to say amen to that? Or not?

Amen is said.

Saying Lord, I hope Leo gets a confirmation on this message-

Laughter.

You know, and that it is not me and that it is really You, Lord, that Leo got a confirmation and I needed to hear that.
