

Affordable Housing Is

Where we love and are loved

Home is where our families are,
where our children grow up, where we
grow old,

Every American deserves a home.

At Encino Apartments you will find affordable studio, one, two, three and four bedroom homes.

There are no application fees to apply for an apartment. Eligible families are placed on the Pueblo Housing Authority's (PHA) choice voucher or separate MOD Rehab waiting list. When vacancies occur at Encino Apartments, the PHA refers eligible families for participation in the Mod Rehab program from its waiting list to Encino Apartments. Applicants must qualify with the Pueblo Housing authority as applicants are only accepted if the applicant is referred directly from a PHA representative. **The website to contact the Pueblo Housing Authority is <http://housingpueblo.org/>**

All residents are responsible for payment of electricity and 30% of income to rent as determined by the Housing Authority.

If affordability and a convenient location are what you've been searching for — look no further than Encino Apartments.
