

ALARM PERMIT APPLICATION INSTRUCTIONS

To fill out the application, you will need to know:

The location of the alarm

The type of the alarm system and its make and model

The name, address and phone number of the company or people monitoring it

Names, addresses and phone number of individuals with keys (at least two names)

Please note:

A copy of the Installer's NYS License must be on file in the Village Code Enforcement Office or you may upload a copy if you are applying online.
