

## KASASA QUALIFICATIONS

The **“Qualification cycle”** is a period beginning one business day prior to the first day of the current statement cycle through one business day prior to the close of the current statement cycle. To receive the rewards that the Kasasa account offers, you must meet the following qualifications for each qualification cycle:

- **Make 10 Visa Debit card purchases** (point-of-sale transactions), excluding ATM transactions per “qualification cycle.”
  - Debit card transactions must **post and clear** your account to be counted within each qualification cycle.
- **Have one direct deposit or one electronic debit processed through your account monthly.**
  - Electronic deposits or direct deposits include pension, retirement, Social Security or payroll deposits, as long as the payer transmits them to the Credit Union electronically.
  - Electronic withdrawals or debits include mortgage, utility or insurance payments as long as they are transmitted from the Credit Union electronically. This qualification can also be met by using SRFCU’s Online BillPay service.
- **Receive and accept your monthly statement electronically (eStatements).**
  - Signing up for a Kasasa account does not automatically enroll you in eStatements. eStatement enrollment is a self-enrollment process through CU Online ([cuonline.stdregfcu.org](http://cuonline.stdregfcu.org) – Accounts > eStatements). You can reach us at 800-543-2283 or 937-223-3333, option 1 or [eservices@stdregfcu.org](mailto:eservices@stdregfcu.org) with any questions regarding enrollment.
