

MANAGER'S DESK FOR FRIDAY, OCTOBER 1, 2021

WELCOME TO THE MANAGER'S DESK, I'M MIKE CORNELL.

IT'S OCTOBER 1. LETTER MONTH ENDED YESTERDAY. AT LEAST THE WRITING OF LETTERS. TODAY I WANT TO ENCOURAGE THOSE WHO WROTE LAST MINUTE LETTERS TO GET THEM IN MAIL AS SOON AS POSSIBLE SO WE CAN COUNT THEM AS A LETTER MONTH LETTER.

WHEN THE OFFICIAL LETTER COUNT WAS MADE YESTERDAY, WE WERE STILL 85 LETTERS SHORT OF THE GOAL. HOWEVER, AS I ALLUDED TO YESTERDAY, EMAILS WERE COMING IN ALL DAY YESTERDAY. THAT AND THE LAST MINUTE WRITTEN LETTERS SHOULD PUT US OVER OUR GOAL. LET ME SAY A BIG THANK YOU FOR EVERYONE WHO WROTE. SOME OF YOU HAVE GIVEN US THINGS TO THINK ABOUT IN REGARDS TO OUR PROGRAMMING WHICH IS EXACTLY WHAT WE WANT. OUR DESIRE TO MAKE OUR PROGRAMMING THE BEST IT CAN BE.

[PEGGY – EMAIL] Thank you for this BEST of the best radio stations!! We've been listening since day 1. Back then, raising little people, it was a true lifeline. Now it is a continual encouragement and blessing.

[GARY – THREE LAKES] Hi, my first time writing. I do request songs frequently. I live in three Lakes Wisconsin. I moved to this area 7 yrs ago as my daughter was in the womb. I must admit at first I was not in love with the style of music the station plays. I guess the city was still in my heart. It didn't take long for God to soften me up, and now I can't live without the music. I sing it in my sleep. I also enjoy all the programming. I even accept the ones I do not like. I will not complain. God bless you at WRVM!

[JUSTIN – REEDSVILLE] Hi all at the station. Happy birthday WRVM! I listen to you by Reedsville on 102.7. I enjoy the manager's desk. Since I use your station on my alarm clock at 6am getting up is a lot easier. Instead of hitting snooze way too many times. It's nice to wake up to something that gets me thinking instead of whining about how early it is. I usually only here the managers desk at the 6am slot, so once daily for me. I'm trying to improve my reception because sometimes I get a lot of static in the morning. I've built a dipole antenna with mixed results. Do you transmit on 102.7 mhz or is that an arbitrary number? Since I rotated the antenna to horizontal my reception seems better. Thanks for any help you can give me.

THAT'S A LETTER FOR ALAN TO ANSWER. THANKS AGAIN FOR WRITING DURING LETTER MONTH. IF YOU MISSED IT, WE WOULD STILL LIKE TO HEAR FROM YOU.

OUR MAILING ADDRESS IS: WRVM, PO BOX 212, SURING WI, 54174
