DENNIS – EMAIL

I have been a long time listener. I have your station on when I'm driving and when I'm at home working on my computer. Favorite programs are Faith and Finance, Grace to You, Janet Parshall, Turning Point, Insight for Living, Focus on the Family and Dr. Mark Jobe. Thanks for everything you do, I continue to pray and support your ministry.

RITA – EDGERTON

Letter month has sped by and this rainy Sunday, even though I listened to bird songs upon awaking, I usually listen to WRVM and enjoy your programming. Taking time to make a donation in thanks for you being there for me all through the night, if needed, to take the edge off some stressful days. Keep up the great work for the Lord.

CHRISTIANNA – EMAIL

I've been listening to your station for over 20 years! At first I thought it was a little old fashioned for me, but well, now I'm older and so appreciate the older hymns! In fact, my husband and I have a music ministry to local assisted living facilities, and guess what we play and sing? The old hymns! They have stood the test of time to be sure. I also enjoy and look forward to Janet Parshall's two hours from Monday through Friday. I would love to see her (and her husband) return to our area again, like when they were at the Weidner. Your on-air ministry has ministered to my spirit for a very long time. I guess I've aged with you! Keep up the excellent work of strengthening and encouraging the remnant! PS, yours is the only station I ever listen to and do enjoy your app through my new car's CarPlay!

Listener:

About 20 years ago, I was working in a factory. My wife had just delivered our 3rd child (a beautiful baby girl), and I was struggling with back pain as well as the stress of providing for a growing family. I have been a child of God since I was a young child. Our family was involved with church and serving God. But the pressures of life in this fallen world were really getting to me. I knew about WRVM but was still listening to the country western music I grew up with. I don't mean to ramble on but I wanted to give you a picture of what led me to think that my life insurance would support my family better than I could! But God put me in a position within my factory job where I was working in a secluded area and I could listen to the radio while I worked, so you guessed it, I turned WRVM on and to this day I couldn't tell you who the speaker was, but one of the programs that played daily went through a series of the effects of what happens to children (especially girls) when they lose their Father! God used WRVM to show me that suicide was not the answer to my pain or financial issues! I learned how important it is to be a father to my children and husband to my wife and God will always meet our needs when we are serving him! I also received proper treatment and medical help for my back pain from a Christian doctor. God is good! That is my WRVM story! Thanks for all you do to serve the Lord!

DONNA

What a great bunch of guys. The music was awesome. And their testimony is great too. Loved that gospel blue grass song with Clayton. Too funny. Thank you all at WRVM for bringing them in. Great job helping set up and tear down after too. It was much appreciated. Looking forward to the 3 Heath Brothers in October.

**PAMELA – KAKUKAUNA**

The months seem to go by fast and the next thing we know it's WRVM Letter Month! There are so many things to be thankful for regarding WRVM. You are my comfort with music, programs, weather reports (local and across the country), laughter, concerts, and now I can add bus trips! I had a great time on the WI Dells Gospel bus trip. God planned the folks on the bus as I was feeling a bit intimidated thinking I wouldn't know a soul. But God had different plans and one of my Grief Share leaders and a Grief Share classmate were on the bus too! I made some new friends and we all had a great time, sharing lots of healing laughter. As a new widow I need the WRVM comfort and companionship more than ever. I am not one to watch television, so my radio is on from the moment I wake until I crawl into bed. There are even times when I cannot sleep, the radio gets turned on and becomes my night companion. I guess my only complaint is that in the night hours I would like to hear more music, soft vocals and instrumental, instead of talking. It is hard to get back to sleep when someone is talking all the time. It's great that you have a new station/location for broadcasting! The more you can reach in the Lord's name the better! *Blessings to you all,*

MARK

I listen on 102.7 and have been listening around 20 years, starting when I attended UWGB. I appreciate your songs and programs. As for programs I especially enjoy would be God's Great Outdoors, Saturday Song Request, the children's shows on Saturday, Unshackled, The Storyteller and the Manager's Desk. Thank you for your great programming and am excited you now broadcast in Duluth/Superior as that is where my in-laws are from. I look forward to listening on the radio the next time we visit that area.

KEITH – ROTHSCHILD

I have been listening to WRVM for about 3 years. I love the song request hour and the 2 hours on Saturday. I like the PSALM 95-hour as well on Sundays. The old hymns hour on the weekend also. I listen to the Late shows after 10pm. And the music hours from 2 to 4 while at work. I like John MacArthur and Vernon Magee. Lutheran Hour on Sunday I support your station in the Spring. Please send me a Calendar. Congratulations on the new station. Pray for my Disabled Wife, Lynette, that the LORD strengthens her and keeps the pain down.

KRISTEN

Thank you so much for your Ministry. I live in Augsburg, Germany and since 2015 I have been listening to WRVM daily on internet radio. I love hearing your broadcasts because I grew up in central Wisconsin and they connect me to my home. I enjoy the music programming because it is diverse and you play worship songs and Hymns which focus on our Lord and His Word. Among others, Haven Today is an excellent program, and a personal favorite. I am eternally grateful for the spiritual encouragement and support that God gives through WRVM.

DAREN – GREEN BAY

I miss the soft and gentle nighttime music when I first heard your station in 2016. I still tune in from time to time to listen to the many teachings that are not offered on any other stations here in Green Bay. I really like Unshackled. In fact, I am going to submit my testimony to them. Thank you for all you do.

**LANA & BEN – ALGOMA**

I listen to Pastor Swindoll M-F at 5am. I also like David Jeremiah M-F at 7:30 pm. On Saturday, I listen to Nature Corner, Prophecy Today and Public Square. On Sunday, I like the Land and the Book. Ben and I had such a good time on the Bus Tour to the Ark Encounter. I'm glad we got to go! I wish more young people were with us. Seeing the Ark put a whole new light on things for us! The concerts were wonderful and we especially enjoyed Tim Lovelace and the movies and jokes on the bus.

GRANT & DEBBIE – WAUSAU

Thank you for the area concerts and oh so much more; Godly/Biblical, inspiring, assuring and so often just what's needed music, devotions and Bible teaching. We live in Wausau and listen on 104.1 or 88.1. we have enjoyed listening for many years. Some of our favorite programs are music, devotion spots, Joni, Unshackled, Widows support spot, Grace to You, Thru the Bible, Faith & Finance, a smattering of other day programs when driving for work and occasionally, Music 'til Midnight. On Saturdays and Sundays, we like Bill Gaither, the Gospel Greats and Psalm 95. We have also enjoyed bus trips to the Ark/Creation Museum, 50th Birthday concert in Green Bay and Branson. Always a great time. The best is that someone else drives and plans everything out. Thank you! Enclosed is a check to support the station. Keeping the station and the staff in prayer. God bless and thank you.

TIM – EMAIL

I have been enjoying WRVM for many years and as an overseas missionary focusing on unreached people groups I really enjoy connecting via the internet anywhere I am, any time of the day or night. I especially enjoy the music segments to restore, refresh, and renew my soul as so many of my days are filled with traveling, teaching the Word, preparing lessons, and translating the Word and material into other languages. On Sundays, I especially enjoy the music and line up of speakers like Mark Job and Moody Church Hour. Thank you for all each of you do and for lifting up Jesus in all that is broadcast over the airwaves.

JIM & ANN – CRANDON

Thank you so much for hosting the Triumphant concert this past Thursday. We made the 1 ½ hour trip to hear them and they did not disappoint. It was very nice to see the whole staff at the concert with Mike's assurance that the computer was "minding the store."

SHARON – COLEMAN

Keep on keeping on for Jesus! It was great to see you in the Suring parade! May God's Word continue to go forth in truth and power. My husband is gone to glory. But when he worked in his shop, he always had WRVM on.

CLARENCE – OSHKOSH

Thought I would send my letter monthly letter this way. Thanks for all you do. The programming is excellent. I especially like the music. I listen when I can to Chuck Swindoll, David Jeremiah and John MacArthur. I also listen to Prophecy Today. Keep up the good work.

**HANK — GREEN BAY**

First, thanks for continuing to provide a great array of Christian messages, via both text and song. Your radio station is the only station I listen to in my car. I try to listen to your radio station at night when I go to bed, but I really detest Bill Pearce's Night Sounds program. Its beginning music is too "ghostly", and Bill's commentary doesn't do much positively either. I really wish you'd add a call-in program from which US listeners could learn more about understanding our Christian Bible. Blessings to you all.

SANDY — STEVENS POINT

I've been listening to stations 94.3 Stevens Point & 93.1 Wisconsin Rapids now for many years & thought I'd send an email for letter month. Over the years, I have discovered many new artists that are now my favorites! I know the music schedule pretty much by heart!! I listen to the music segments and that's because most times I'm busy doing other things & just don't slow down to listen to the teachings--I'd miss most parts of them. Thank you again for all you do!

CAROL — NEENAH

Thank you for your programs! I have listened since 2010, especially when I am in the car but I wake up with Morning Watch getting ready for work. I also love Saturday morning programs and sometimes listen with headphones while working outside. I know I am early, but last year I missed requesting a calendar! I also want to encourage the easy giving plan. I can afford a small amount, but I am happy to give it monthly.

DEBRA — ONALASKA

Happy Birthday Month! As always, this station is used by Our Awesome God to share His Love, His teachings through wonderful, faithful pastors, encourage us with your fun, encouraging announcers and so appreciate your hardworking behind the scenes staff as well. My Dad played WRVM in our dairy barn when he was milking a LONG Time ago (60 for sure). Unshackled was one I loved to listen to as I was feeding calves. I have no doubt God used WRVM to bring me to Himself 50 years ago. Thank you.

LISA — EMAIL

Hello WRVM staff, I am wondering if you have any business cards? It would be a convenient size for sharing your station with others. If you have them, would I be able to purchase some? Thanks so much.

LYN — EMAIL

I enjoy listening to you on my way to work, and at bedtime. Worship music is relaxing and soothing. Listening to Nancy and the other talks you all do is Inspirational. Also, it's Awesome we share the same Birthday Month.

JENNIFER — TAYCHEEDA CORRECTIONAL INSTITUTE

I really appreciate your station while I'm here in the women's prison. I heard it's listener letter month, so I'm writing to tell you I'm enjoying so many of the programs and music. I recommend others tune in too to get blessed like I do. It's very important to me to stay in the Word and God uses so many of the programs to go along with the devotions I do daily. This never ceases to amaze me how there's a wonderful, relevant, Spirit-led message all the time. I could go on. I'm closing with saying: "Good job, thank you, you're a God-sent blessing to help me through."

**LISTENER FROM SOUTH IN GILLETT**

My favorite program is In the Market, the noon Money Life, Manager's Desk and Cal Thomas. Now that I just turned the big "6-0", I enjoy your music more and more. I enjoy the variety.

DAVID – REEDSVILLE

I have been listening to your station for about 28 years, primarily on my commute between home and work. I listen to the first half hour of Morning Watch on my way to work, and I listen to In The Market on my way home. My kids grew up with WRVM on the radio, and now my wife listens to WRVM on her commute. I like listening to your music, and I really like it when you have a prayer to start the day on Morning Watch, and a praise song to get the day going. I am a fan of the Sugar Creek gang, and I like the Unshackled stories. Our God does amazing things. Keep up the good work.

MARC – EMAIL

I just found your station, a few days ago. It is wonderful and I am a steady listener. Thank you from a new listener it's just what I needed! May God keep on blessing you.

MARIELLEN - EMAIL

Thank you for giving us a great station! I listen when I'm driving, and when I'm going to bed. Anytime in between when I can, I tune you in. I listen to the Sturgeon Bay and also the Suring station. I like all the programs, and contribute to several of them. Now....I would challenge all your listeners to do the same thing I did. Donate a one time amount of \$20.00, and if 1,000 people do that, just think, \$20,000 to help the station do the Lord's work! And if the the challenge isn't enough to interest people, I double dog dare them to give \$20.00! Thank you again - A friend in Christ

MARGE – EMAIL

Your radio station is on from early morning till late at night. Every evening, I tune in at 7:00 p.m. to David Jeremiah, followed by Chuck Swindoll. Please do not take him off the air. Please hear the voice of one of your supporters.

MIKE – GILLETT

] I just wanted to write and thank you for all your hard work in blessing so many people. As the Bible says, whatever is done for the Lord, is not in vain. Your announcers are so talented and do a super job on the Morning Watch show. Congratulations Mike on your upcoming retirement. I have enjoyed officiating some of your Suring varsity games you have helped to coach. You are a great team there at WRVM. Keep up the super job!

JOSHUA – EMAILED

] Dear WRVM. I don't know if this can count as a letter as I sent an email earlier in the month but I wanted to put a 5am vote in for Chuck! I start my work day at 5am every day and truly appreciate his way of preaching! Thanks again for all you do!

**SUE – WAUSAU**

Like other listeners, I'm not up at 5AM, so that's not an option for me either. If one voice speaks for ten folks, I'm hoping you'll quickly reconsider this move and not interrupt the broadcasting of the 7:30 Insight for Living program. God bless you all as you serve Him and the thousands of listeners who are growing spiritually as a result of your programming and music!

JOHN – WALLACE MI

I still miss Living a Legacy on Sunday morning...not sure why that had to end? Other than that, not much to say except, keep up the great work, spreading the Good News, of our Awesome Lord and Savior!

JAN –EMAIL

I'm writing this as I listen to 'song request' time. I don't request but like it none the less.

JEAN – EMAIL

Love the station, great teaching, great staff, and great music. If you are looking to see when your listeners listen to Insight for living with Chuck Swindoll, I am able to catch it and listen at 5:00 am on my way to work.

SANDY – EMAIL

Your station continues to be a blessing to me. I am so glad that technology enables me to listen to you down here in Waukesha! I have your station on throughout the night; your music is so comforting! I love Morning Watch! It really helps to get my heart and mind focused on God as I begin each day. I do listen to the 5 AM Insight for Living as I wait for Morning Watch. I love the Song Request show Monday thru Saturday. I enjoy listening to all the drama shows in the evening and Saturday mornings! Blessings to all of you!

GARY & GAIL – KANSAS

We moved from Wisconsin to Kansas in 1987 when our last child, our only boy, was only two months old. So this has been home. There is so much that I could say or relate to. Gail and I got married in July 1975. At that time, we lived on a small farm near Crivitz. I grew up near Marinette and Gail is from Waukesha county. I remember when WRVM came on the air. I was in high school. I felt that it was an amazing, fantastic time to actually have a Christian radio station that we could listen to.

But it's so cool, so refreshing to hear you mention so many of the towns and cities that we are familiar with "up north." Most nights Gail and I end our day having WRVM radio streaming while we sleep. I haven't heard Janet Parshall since our Moody Bible Institute days of the late '70's when I attended there and we started our family of five children. The other night when Bill Pearce came on with his program, Nightsounds, Gail and I looked at each other and said, "oh that reminds us of Moody days." What a great way to go to sleep at night with your station playing Nightsounds. Thank you from Kansas.

**MARIKAY – EMAILED**

The music and messages I hear on your station always help to lift me up and warm my heart. As our church's Praise Team leader, I listen to many musical selections daily and sing to the Lord every Lord's Day. Singing along with the songs on your programs helps to keep my voice in tune! I have been listening to WRVM since we moved into this area in the 80s. Many times what I have heard has been just what God wanted me to learn in my walk with Him. He has helped, through those songs and messages, to heal my broken heart, strengthen my resolve and encourage me to step out in faith. As for the program with Chuck Swindoll, I only hear that in the evening and would surely miss listening to him if you were to only have him on in the early morning hour. He has so many good thoughts to help me understand God's plans for my life. May God continue to bless all of you as you share His messages with so many listeners.

PHIL – EMAIL

First time letter writer. Been listening many years. Thank you for the years of ministry, music, and teaching. Appreciate everyone that makes this station work. Tower engineers to DJs, office personnel to maintenance. We contribute financially, periodically. We so appreciate this station trusting God for their needs and not doing telethons or whatever you call them. Oh I know, when there's a need for a new tower or such, it is mentioned, and rightly so. I appreciate all the DJs and really appreciate Brian's veteran voice still on the air. And I appreciate his choice of music, as I understand he does the selecting for the most part. Oh, I don't like all the music, but that would be impossible. As the old saying goes, "You can please all of the people some of the time. You can please some of the people all of the time. But you can't please all of the people all of the time." May God bless WRVM always.

LAURA – KIMBERLY

My husband and I listen every day to your station. We have been listening for many years. We love all your programs. Everything from Janet Parshall, Focus on the Family, Kirby Anderson, Chuck Swindoll, Haven Today, Cal Thomas, Saturday morning drama programs, Family life etc. The announcers in the morning are great. I love the interesting facts and trivia they talk about. I like knowing in the morning what some of the guests are for the afternoon programs. I was wondering if you would ever carry the longer program with Kirby Anderson? I was listening to his program on a different Christian radio station outside the area recently. Thank you for blessing so many people each and every day. You are located in a very small town but are making a big impact around the world. All your work touches and encourages people in their walk with God. Your station is special and unique. I would be so sorry if your station wasn't available. We listen to the app too when we are out of town. We are happy to give monthly and pray all your financial needs will be met. Do let your listeners know if there is a need. God Bless each and everyone there,

DAVID – EMAIL

I've been listening to WRVM and other Christian stations for some 40 years and I've never written a letter in support. Your ministry of radio has been an incredible part of my life. John MacArthur has always been my favorite to listen to on your station. Oddly enough, whenever I read scripture, I hear his voice. Thank you for your ministry for so many years and God bless.

**LAURAL – EMAIL**

Our family is so thankful for the WRVM radio station and all the staff- I had the privilege to grow up with it and am now blessed that our 8 children at home have it in their lives. Even though we enjoy some of the new songs and programs that come along, we really appreciate the hymns and older selections of music that your station still plays. The children like the stories weekday evenings and on Saturday morning, and because I'm old enough to remember "Haven of Rest" when it was aired twice a day on WRVM (I think!) I find comfort in hearing some of the teachers and programs that I heard years back, like: Grace To You and Nightsounds, and Songs In the Night. Of course, the Morning Watch hours are always interesting- thank you for airing Ron Hutchcraft's program "A Word With You"- and listening to the Manager's Desk is also a top priority, too. It was exciting to listen in the first moments this summer when WJRF 89.5 came on the air, though we couldn't help financially during the time, we kept your new station in our prayers, and still do! Thanks again to you all for your dedication to helping keep the Voice of the Master over the airwaves, and God bless,

NANCY – EMAIL

Words cannot begin to express the deep gratitude I have for this station. I can't say that I listen to every program, BUT I know I could not do without the ones I love. The majority of Christian music stations only play music. Your programs of teaching and preaching are immeasurable! From strained family relationships and prodigal children, I have learned to navigate the trouble seas of this life from the insight of speakers and people who have walked the same path. Thank you does not even begin to express my gratitude. All of the radio hosts are great, and the music variety is perfect. Thank you for all you do. You create a community of believers that come together over this station!

MARILYN – DEPERE

My memory can't recall exactly when I began my "radio journey" with you. It may have been around the time that I semi-retired in 2003. In my home are three radios with WRVM turned on so wherever I am in the house, I can hear it. I often listen on my phone and as I travel throughout the state, my car radio has WRVM on the dial. You are my source of world news as I seldom have the TV on. Each of the announcers are so professional and interesting. It is difficult to have a favorite. I met many of them at The Guardians concert on a rainy night in Green Bay. Meeting Mike Cornell was great. 'Putting a face with a voice' was special, after listening to his message 'From the Managers Desk' several times a day. In closing, I can only say: Thank you! Thank you

EMAIL

As the Sr. pastor for 52 years at a church in Wisconsin, I just resigned as senior pastor, to see what the Lord would have for me next. It was 1973 when we came to the church and someone in the church immediately informed us of WRVM radio station. I remember as a young pastor pulling up a chair at the dining room table day after day to study with John MacArthur and Chuck Swindoll. It was my way of filling my spiritual tanks so that I could go into the pulpit week after a week to teach and to preach the infallible riches of God's Word. Over the years, the first thing I do in the morning is turn on WRVM and immediately my spiritual tank and disposition are turned upward to glorify and magnify Jesus Christ, the son of God. I consistently find that the staff of WRVM, are today and have been for decades and decades and decades true ministers of God to my soul and many others in this area. I humbly bow before the Almighty with a grateful heart for someone like WRVM to help me personally and as a pastor, for 52 years, to Shepherd this local church. I am rich with the presence of God and the power of his Holy Spirit and the grace of our Lord Jesus Christ because of the ministry of WRVM.

**BRIANA – PORTERFIELD**

I've been listening to your station since 1985 I like so many of the programs and the music!

STEVE – OCONTO

Thank you for being a bright light in the dark world. The darker the night, the brighter, your light. May God bless everyone of you that laborers to bring forth the gospel.

HEIDI – SHEBOYGAN

I heard a recent comment from the Manager's Desk. It came from a gentleman from Green Bay who said that he despised the program Nightsounds, by the late Bill Pearce. I believe the word he used to describe the theme song was "ghostlike." I happen to love Nightsounds radio ministry and have listened to it for many years; I've never thought of the music as sounding ghostlike. Bill Pearce has the perfect soothing nighttime voice to relax and unwind before bed; it's one of a kind. The entire program always has a wonderful message of God's word along with beautiful, older songs throughout the program. Bill Pearce himself was a singer and solo trombonist; quite the talent! Due to my early work schedule, I don't always have a chance to listen to Nightsounds, so I listen to it as often as I can. It would actually be nice if the program would air at 9:30 p.m. instead of 10:30. Either way, I hope you continue to broadcast the program. In regards to Insight for Living: I generally listen to the 5:00 a.m. program while getting ready for work. Thanks again for all that you do! Keeping all of you in my prayers,

MIKE - EMAIL

I used to be a regular listener of WRVM and also attended several of the concerts you have brought to the area in the past but unfortunately life got busy working a full time job and taking care of my wife who began to have more serious health issues. I have recently returned as a listener after my wife's passing a few weeks ago. WRVM programing and music has been a great source of peace and comfort during this time and I am very thankful for all you do. We are truly blessed to have you in our local area. Take care and God bless. Thank You.

JULIE – PHILLIPS, LISTENING TO WHJL 88.1 MERRILL

Love your station & listen to it daily!! Would love to receive one of your calendars please!

SUZANN

WRVM is what makes our day, and I know we take this Christian radio for granted. So, THANK YOU for all you and your staff do to have a great mix of music and programs. My favorites Janet Parshall, Prophecy Today, Focus on the Family & Night Sounds!! Blessings to you our family!

GARY & CONNIE

How do I love you, let me count the ways?! I can't count that high! I am so thankful for the station and the dedication of all who work there and their testimony for Christ and getting the word out! I really like all the announcers and their insight and input and their sense of humor! I especially enjoy the different genres of music. Programs we listen to are...John MacArthur, Haven today, Dr. David Jeremiah, The Public Square, Joni and Friends. Allister Begg Sunday mornings and Moody Presents. The Lord bless you and keep you in His tender care and hold you in the palm of His hand.

**FRED**

I don't know what year it was, maybe mid-1980s. I was traveling in northern Wisconsin for work, stopped for a power nap, found your radio station during the old show "conference echoes". I am grateful for the availability of WRVM on multiple outlets around the state. And even though I am techno-challenged, I use the WRVM app on my smart phone--think I even picked it up in Montana earlier this year. Although I miss the variety of speakers from conference echoes, I do appreciate the current slate of Bible teachers you present on a regular basis. I also appreciate the news & perspectives on "In the Market". Regarding music, I love the fact WRVM is not locked into one style. We especially appreciate the worship music on Sunday morning from 6 to 7:30 AM--a great way to prepare for worshipping our Savior at church. Keep up the good work. God bless.

DAVE – APPLETON

I have to take a moment on to share about the power of Christian radio. I have listened for decades & always appreciate the wonderful blessings God pours out on us through your work. Today was very special. I am sitting at home in my recliner. I click on WRVM — thankful it's already tuned in on my stereo. It's 3-4 pm today & Brian Hay is on the air. As I sit with my eyes closed in my chair it's as though this music was chosen just for me. Brian's comforting & familiar voice is like he is sitting right next to me reassuring me of God's goodness. The songs chosen & the words spoken ministered to my heart deeply. Thank you, Jesus! Thank you, Brian! Thank you, WRVM! Tears streamed down my face in appreciation for this special moment of ministering to my soul. The Lord is good! Praise Him forever!

BEN

As usual the professional procrastinator is sneaking in on the last day! Thankfully I won't be late for the rapture! I guess I could say I enjoy all your programming. There are some I enjoy more than others. Chuck Swindoll, John MacArthur, David Jeremiah and J. Vernon McGee are some of the more enjoyable. Along with Janet Parshall. The variety of music is also appreciated although I must admit I love the classic old hymns. Those written by Fanny Crosby are some of my favorites. Please continue as you are. Please continue preaching Jesus. God bless WRVM, its staff and all its listeners. Thank you for a great station!

JULIE

Your station is such a blessing! Plus, I really enjoyed your Creation Museum/Ark Encounter bus trip this summer. The hotel choice was wonderful, morning devotions and Christian movies shown on the bus were great (even all the corny jokes & fun facts) and I met a new travel friend. Hope to go on future bus trips as my schedule allows.

ANNETTE – EMAIL

I'm writing this on behalf of my brother who passed away in August. Rich came across WRVM one day while driving truck when I believe Tim Lovelace was on. My brother loves humor and was smitten, he continued to listen to other programs telling all who would listen what he heard. Little by little his heart was moved and he embraced God and his love. He now wanted everyone to know his new friend and be saved. Rich became quite the missionary. He took such pleasure in sharing God's word as he was hearing it. He had always been a helper, and now that increased greatly in every way. WRVM led my brother to a new, healthy, heart changing view of God. I am so grateful for that; I praise God for finding a way to reach my beloved brother. Keep up the good work... you don't know who needs to hear the message.

**PAUL & CHRISTINE – LUXEMBURG**

Paul and I have been listening to your station for over 20 years now. We have learned a lot about raising our children and how to be a better wife and husband. May God bless your staff and station with many more years on the air.

MIKE – LISTENING TO WPVM 88.5 STURGEON BAY

First time writing to you. I have been listening to your station since I was 10 years old and my siblings story time was the best on Saturday. It was hard to get our barn chores done on time. Now I'm 57 and still listen to story time. I do miss Ranger Bill though. The reason I'm writing is to tell you that I listen to Insight for Living on my way to work in the morning. It gets me going for the day ahead. May the Lord bless your station.

CARLENE

Blessings to all at WRVM. I so enjoy this radio station. I've had 3 surgeries this past 7 months and the music and programs have all ministered to me. I listen to my app on my phone. I can't complain about anything. Keep up the amazing work.

GARY

Just to say that we really appreciate all of your staff and all each one does to keep your signals coming to keep us encouraged and growing in the Lord.

MARY

I moved up from Milwaukee in 1972. I really don't know when I started to listen to your radio station. But I listen to it now! The music feeds my soul. I love it at all times of the days, especially Morning Watch. I turn it on the first thing in the morning. I am so glad your radio station is there for everyone to listen too. I am so thankful for NO commercials. (TV has gotten so bad with five minutes of commercials.) Thank you for being on! God bless you all!!

MARIKAY

The music and messages I hear on your station always help to lift me up and warm my heart. As our church's Praise Team leader, I listen to many musical selections daily and sing to the Lord every Lord's Day. Singing along with the songs on your programs helps to keep my voice in tune! I have been listening to WRVM since we moved into this area in the 80s. Many times what I have heard has been just what God wanted me to learn in my walk with Him. He has helped, through those songs and messages, to heal my broken heart, strengthen my resolve and encourage me to step out in faith. May God continue to bless all of you as you share His messages with so many listeners.

DEBBIE

This is my first time writing a letter to you. I want you to know how blessed I feel I found this radio station several years ago. I wake up early every morning so the first thing I hear is the message from Chuck Swindoll. I need a good bible teaching message to start my day. I have no other radio station tuned in on my truck radio, therefore I hear a lot of your programs. I enjoy all of them. I also enjoy all the music that is played.

**MATT**

What a blessing WRVM is. You are always my first go-to Christian station. Some of my listened to programs are Faith and Finance, Cal Thomas Commentary, and Truth for Life, Insight for Living (5am), and Manager's Desk. Most of the music I like, at least the more traditional types. Praise and Worship A Capella, Durant, Jennifer LaMountain, the Getty's, the Booth Brothers, Twila Paris, Helen Shapiro, and Jean Watson are some of my favorite groups/artists. 'Just love to listen to the music and message. Sunday mornings brings my Moody Presents; always good. I've been listening since 2006 both OTA, and online. When driving, it's either 102.7 or whatever local translators my radio can receive. Speaking of 102.7, in my car, I can usually receive a good signal down to about ten miles south of Fond du Lac. The new guys are wonderful to listen to.

PETE

I sure appreciate having your station to tune into. I mainly tune into 102.7, but occasionally I also tune into 104.1 or 88.1. My favorite part of any of your programs is your music. This last March our son passed away, and needless to say it was very devastating to live with and still is. The song that you occasionally play from the Guardians, Home to stay has become a favorite of mine along with a long list of others.

CLAUDIA – DULUTH

Thank you for your radio station. A couple months ago, I had my radio set on 90.5 and when I turned it on it was 89.5 FM, WJRF. I really enjoy the music.

JOHN – DULUTH

I started listening to your station about a month ago and I love it!! In the beginning it was just audio to keep my head straight at work, the longer I have been listening the more I have brought Jesus Christ into my heart, into my soul, and have accepted him as my King that died for me on the Cross for my sins. Janet Parshall, and Adventures in Odyssey helped open my heart and mind to Adore Him!!! Those 3 were my alarm to wake up my soul to Christ! I am listening over here in Duluth, MN on 89.5 WJRF. I am really, really enjoying all of your Worship, Devotionals, Creation Moments, Adventures in Odyssey, In the Market - Janet Parshall, Insight for Living- Dr. Charles Swindoll, Mission Network News, Nightsounds-the late Bill Pearce, Stories of Great Christians, The Bookshelf - drama, Turning Point -Dr. David Jeremiah, Unshackled, and most of all; The Managers Desk with Mike Cornell. When you retire sir, I pray you have the most blessed time for the rest of your life with your wife and family. Thank You for all that you do at the station. I would like to say that Insight for Living with Chuck Swindoll, listening to it in the evening is my favorite when I am on break at 7:30pm. I listen to all of these when I work Mon-Fri in the afternoons (3pm-11:30pm), or when I go on break.

ALLEN - CLINTONVILLE

I've been putting off writing this for 30 days. I don't want to not be counted. I enjoy the morning program including the Manager's Desk and Janet Parshall's program. I have a question for you to answer on the air. To my knowledge, not any of the announcers have ever told us what the call letters stand for. I have been listening for the answer to my question since you started fund raising for it last summer. Maybe there is someone besides myself that has this question.

**MATTHEW – OSHKOSH CORRECTIONAL INSTITUTION**

I waited until the last day, again. I guess it's starting to be a habit. Why do today what you can put off until tomorrow? (I HAVE A SIGN IN MY OFFICE THAT SAYS, 'WHY PUT OFF UNTIL TOMORROW WHAT YOU CAN PUT OFF UNTIL THE DAY AFTER TOMORROW?') Your station is the only one I listen to. You are my church and I am very grateful. Please keep up the good job you're doing. I listen to Janet Parshall, American Policy Roundtable, Manager's Desk, Creation Moments, Gaither Homecoming, God's Great Outdoors, Family Life Today, the music and more. Your staff is top notch and well-seasoned. The older I get the more thankful I am to be able to listen to a real Christian station who cares for its' listeners. Congrats on your new station. I know your new listeners will be blessed. Keep up the good work. Your station and staff are in my prayers.

JENNIFER – PLYMOUTH

Congratulations to WRVM for more than 50 years of spiritual encouragement and comfort through Christian music and programming. I discovered Voice of the Master when I purchased a radio to stay informed about the Presidential election in 2024. Now, it is the first channel I tune into in the morning and enjoy throughout the day and evening. I recommend WRVM to friends and neighbors, especially those who are going through a difficult time. At your convenience I would appreciate a Program Guide.

ANONYMOUS

Here's a small anonymous donation. I've been listening in my car for 39 years. Thank you! I enjoy children's programming, most of the music and most of the speakers.

ROSE – SHAWANO

Every year, I think I'll send a card and never do but you always make your goal. But, I'd feel bad if you didn't. I love it all, especially Janet Parshall and also Friday when her husband joins her. I always trust their views especially current happenings, ie the assassination of Charlie Kirk. You all do a wonderful blessed job of bringing everything to us. I do pass you on. I will miss Mike's voice. Best wishes to him.
