HOLE IN ONE

John Powers at 83 years of age scored his first hole in one on the 9th hole on October 4. His tee shot hit the fringe of the green but instead of stopping, it rolled about 30 feet and kept going until it hit the stick and dropped!

EAGLES

Jason Powers pitched in on Hole #4 on May 10 in the first round of the eclectic- an improvement on a shot he had in the previous tournament when he came up a few inches short of another eagle.

Craig Goodwin chipped in on Hole #10 on June 28 for an eagle. Ok- it was from the red tees during the red white and blue tournament but hey, nobody else made a 2 on that hole.

Raj Raghunath made a fairway eagle on the 15th Hole at Toiyabe Golf Club in Washoe City, NV during our annual Carson City trip. He knocked in his shot from 150 yards out on the Par 5 15th hole! By the way, Toiyabe is the prettiest and best course I've played in Nevada.

MOST IMPROVED PLAYER

Dan Pabalate is our most improved player of 2025. He dropped his USGA handicap by 3.2 strokes since last awards banquet. Honorable mentions to Todd Weatherly (2.1 strokes), Craig Goodwin (2.9 strokes) and Steve Van Norman (2.9 strokes)
