# Holy Trinity Stone Chapel

The Stone Chapel is a testament of the strong bonds of our parish. A labor of love of parishioners. The Stone Chapel tells stories of our parish through the beauty of the craftsmanship. Stories of our faith. The Stone Chapel stands as the backbone of the 132 year history of our parish.

Invest in our history and support the refurbishing of the Stone Chapel. The stain glass windows will be refurbished and we will replace the yellowed Plexiglas with annealed glass. This will allow all to be able to see the beautiful depictions from the outside of the chapel. Our need: \$21,500

Some of the masonry around the building needs to be repaired as well. Our need for masonry tuck pointing: \$8750

All funds raised above our need of \$31,000, will go to the Teacher Resource funds at HTS and HTEEC.
