The screenshot shows the 'Preferences' page in the Follow My Health patient portal. The page is titled 'Preferences' and has a sub-section for 'Notification Preferences'. The notification preferences are organized into several categories:

- Appointment Reminders:** Includes checkboxes for 'Email' (checked) and 'Text Message' (checked).
- Appointment Updates:** Includes checkboxes for 'Email' (checked) and 'Text Message' (checked).
- Updates to Health Record:** Includes checkboxes for 'Email' (checked) and 'Text Message' (unchecked).

- Organization Bulletins:** Includes checkboxes for 'Email' (checked) and 'Text Message' (unchecked). A 'Cell Phone' field is visible, containing the number '(940) [REDACTED]', with 'Change' and 'Remove' links next to it.

The page also shows the user's email address as 'oscar_deasis@hotmail.com' and a 'Change' link. The page is part of a larger portal interface with a navigation bar at the top and a sidebar on the left.

If you choose Text Message, make sure you add and verify your Cell Phone number.
