LAWN IRRIGATION PERMIT CHECKLIST FOR _____ :

All Items listed must be completed and all documentation must be submitted at the time of permit application. Application submittals not complete will not be accepted for processing.

- Name, Address and Phone Number Complete on Permit Application
- Permit Application Signed and Dated with checks payable to the Village of Golf
- Project Proposal from Contractor including contact information
- Plat of Survey showing the proposed irrigation system, including location of sprinkler heads, lines and RPZ devices and all easements.
- Copies of State of Illinois Plumbing License and Cross-Connection Device Installer Certificate
- Certificate of Liability Insurance with the Village of Golf as an additional named insured. (Village of Golf, 1 Briar Road, Golf, Illinois 60029)
- J.U.L.I.E. locate at least 48 hours prior to digging.

General Information:

- Once your lawn Sprinkler system has been installed and the RPZ has been certified, please forward a copy of the certification to the Village. No final inspection required.
- RPZ devices must be tested and maintained annually by a cross connection control device inspection and the report is required to be submitted to the Village yearly, prior to June 30.
- The Village is not responsible for repairing sprinkler system components located in the parkway that are damaged due to snow removal or repairs of utilities or streets.
- It is the contractor's and ultimately the owner's responsibility to know the Village Code provisions. The owner or his agent is responsible for constructing all permitted work in compliance with Village codes. Failure to identify any aspect of the proposed design not in compliance with Village code during plan review does not relieve the owner of the obligation to achieve full Village code compliance.

**Call J.U.L.I.E. 1-800-892-0123 or 811 to locate all underground utilities.
