

EZ Replacement Guide

Find your existing unit in the left column and click on the Islandaire replacement unit on the right. If you do not see the unit you're looking for on this list or in our catalog, please consult the factory; we can custom design a unit for you. Note: For shipping purposes, please assume that a one piece chassis typically weighs 150 lbs, and a two piece, 200 lbs. (Hover the mouse pointer over the EZ Series name for an image of the unit)
