## **THINK SPRING!**

Let's think about getting our hands in the dirt! Yes ... time to begin thinking about starting your early seeds: cabbage, cauliflower, broccoli, and brussel sprouts. We have potting soils (in large and small quantities), earthworm castings (all natural fertilizer that won't burn plants), pots, and all you need to get spring things planted. If you don't start plants, we will have them for you in mid-April, just in time for your early planting.

- **SEED Packages:** We have our pre-packaged seeds ready for your garden selection including vegetables, herbs, pumpkins and gourds.
- **BULK Seeds:** Siegel's has 'expanded' our bulk seed selection. This allows our customers to get the exact kind and quantity of seeds they want to purchase. Bulk seeds will be arriving throughout March.

## LAWN CARE AND GRASS SEED

Our grass seeds are formulated for specific growing conditions with a blend that addresses all that Ohio weather can bring whether it be drought, rain, freezing or heat. We have grass seed blended especially for our area in Ohio.

**FINEST**, an all purpose seed,

**ATHETIC**, all purpose grass seed for high traffic areas such as kids and pets.

**SHADY**, for areas in the shade 80% of the time.

Apply a spring fertilizer: 12-12-12; 16-16-16; 19-19-19; 6-24-24; 8-32-16;

21-0-0 ... This fertilizer for lawns contains a great source of sulfur.

This mixture can also be used for vegetable gardens and trees.

## ANDERSONS FERTILIZER with CRABGRASS CONTROL

-- a premium lawn food that controls crabgrass all season long.

-- provides essential nutrients plus iron for a deeper green color.

We carry two bag sizes: covers 5,000 square feet; covers 12,500 square feet

## MILORGANITE

Organic Nitrogen fertilizer 6-4-0

Rich in iron to give your plants and yard that nice deep green color. The slow-release formula provides nitrogen over an 8 - 12 week period without causing excessive top growth.

This process also helps develop a strong root system. It is children and pet friendly, too. Great for sandy soils. Use on lawns, trees, shrubs, flowers, and vegetable gardens.

## MARCH/APRIL

**Pond Care:** It's time to start your pond maintenance program

- It's time to add **Aqua Shade** to your pond.
- When the water temperature hits 50° or warmer, algae will grow. We recommend **Cutrine Plus** (liquid or granular) for algae control.
- **POND2.O** This line includes beautiful, natural looking blue and black colorants with suspend technology to suppress weed growth with dyes that stay in suspension longer than many other colorants on the market.

## FRUIT TREES - DORMANT OIL

Soon the days will be warming and it will be time to start spraying your fruit trees.

For the first spraying of the season, use **Dormant Oil**. We stock several sizes from quarts to 2 1/2 gallons. We have all the products you need for keeping your trees healthy and productive.

## ARE YOU BUILDING A RAISED BED GARDEN THIS YEAR?

We have everything you need:

- Top Soil
- Earthworm Castings
- Vermiculite
- Cow Manure compost
- Azomite

## TIME TO GO FISHING! Bait & Tackle

We have a fine selection of fishing and related tackle.

Redworms, waxworms and night crawlers

--We also sell fishing licenses.

Cash only ... you will need a valid ID

## 4H and FFA REBATE PROGRAM

Siegel's 4H/FFA rebate program begins on **April 1<sup>st</sup>** and continues through the summer fair season.

Members receive a 10% rebate/discount on feed and bedding purchases. This is our way of supporting the youth working with all species of livestock. Rebate checks will be issued at the end of fair season.
