

## West County EMCOMM Net Protocol

QST, QST, QST.

Attention all members of the West County Emergency Communications Net and friends.

This is \_\_\_\_ (name), \_\_\_\_ (call sign), Net Control for this session

This Net meets every Thursday evening at 1845 Hours.

The purpose of this Net is to test communication readiness for emergency communications in West Contra Costa County.

This is a modified control net. You may break into this net anytime for emergency or priority traffic.

To contact a station that has just transmitted, say CONTACT and then wait for Net Control to say; CONTACT, GO AHEAD.

Please do NOT leave the Net without informing Net Control.

The cooperation of all amateurs during this net is appreciated. When roll call begins, please respond by stating your: CALL SIGN, NAME, LOCATION and if you have TRAFFIC.

Roll call begins:

- Mobiles
- Suffixes A-G, H-N, O-T, U-Z, A-Z
- Adjacent RACES and COMMU members
- Guests wishing to check in?
- Are there any late or missed Members or Guests wishing to check in?

Hearing no further check-ins, net business begins.

(Call the various stations that indicated they had traffic. When all have responded, give any traffic you may have.)

Is there any further business for the net?

Are there any late check-ins?

Stand by while I total the check-ins for this net. Tonight's count is \_\_\_\_\_

We thank one and all for checking in and those non-participating amateurs who have been standing by during this net. We also thank the Contra Costa Communication Club for allowing the use of their repeater.

This Net is now closed at \_\_\_\_\_ Hours

This is \_\_\_\_ (Name), \_\_\_\_ (Call Sign) returning the repeater to normal operation. Thank you and good night.

(Please note: Net Control reports the count to the County Net at 1920Hours on the WA6HAM repeater at 145.490, neg. offset, PL 107.2) Thank you.
