More info will be sent out to the Pre K families once a final decision has been made.
- June 11th - Last Day of School and Pre Kindergarten Field Day & Picnic

School hours have now been permanently changed back to 7:00am-6:00pm.

Japanese Boys' Day and Cinco de Mayo will be celebrated on May 5th. The children will be making shakers to be used for dancing in the Indoor room and making koi kites to fly on the yard. Sign-Ups will be posted in the foyer for anyone interested in donating Japanese snack. Snack will be served on the yard. Please let the office know if your child cannot have special snack due to dietary restrictions.

Due to COVID restrictions, we regret to announce that we will not be able to have our annual Mother's Day Celebration at school. This is an event that we look forward to hosting each year, so we are really sad that it can't happen. The kids will still be making adorable Mother's Day gifts to take home, and we will post something special on Instagram for our Moms to enjoy! Happy Mother's Day to all of you!

The teachers will be working on second semester Progress Reports the week of May 24-28. If you know ahead of time that your child will be absent that week, please let the teachers know so they can test your student earlier. Progress Reports will go home in the cubbies the following week.
