Answer: Yes. We do not ask for transcripts to verify academic information, or certification from league or CIF officials to verify stats and athletic honors. These signatures serve to affirm the veracity of the information on the submitted form.

Answer: Yes. Up to one page of overflow answers to application questions, and one additional letter of recommendation from non-school official may be included with completed form.

**Question: Where will selected nominees receive their award?**

Answer: Winners will be honored at the Student Athlete Gala Awards Banquet. Registration information for the Gala will be in the winner's package that will be mailed to the winner's parents or guardians. Copies of the selection letter will be mailed to the student's head coach and principal.
