

## Patience Prayer

Patience- *the capacity to tolerate delay, trouble, or suffering without getting angry or upset*

***"My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience. But let patience have its perfect work, that you may be perfect and complete, lacking nothing"*** (James 1:2-4)

Father God, we desire to grow more into you. You are patience as You are love. Help us this week to have a new level of patience with all things we encounter this week. Help us to be patient with our peers, our families, our children, our spouses, and ourselves. Show us, Holy Spirit, where we lack patience and help us to grow in those areas. By the name of Jesus, we ask this. Amen.
