

## Circular Clarifier Rehab Services from Fab Tech Wastewater Solutions!

Save time and money with our custom rehabilitation services for all components of any circular clarifier!

Fab Tech Wastewater Solutions is now offering full clarifier rebuilds for any circular clarifier by any manufacturer. Fab Tech's team can save you time and money over large manufacturers and provide a level of service not available from the large corporate competition. Be the next plant to experience Fab Tech's commitment to quality craftsmanship and customer service! Fab Tech's team will inspect and assess the needs of your clarifier and then deliver new replacement pieces all in a minimal delivery time. Does your clarifier need work but you do not have the time or the budget to spend on the equipment? Fab Tech Wastewater Solutions is your one stop shop for clarifier rehabilitation all while working within your budget.

Fab Tech also offers a full line of aftermarket parts for your clarifier!
