Re: 2015 SUMMER MISSION GROUP

Enclosed is information on Hurley Community Development Inc. and our Volunteer program. The individual cost for a mission trip is \$52.00 per person per night. We request full payment for all participates at least two weeks prior to the date of the visit and 10% down payment of the estimated cost total to reserve the dates requested. The deposit is non-refundable. We use the funds from each group as we receive them to purchase materials, food, and supplies for your group. We are a small rural community with one local bank that holds out of town checks for 10 days before making the funds available. In order to properly prepare for your group we need to receive the total amount due for the trip at least two weeks before your arrival in Hurley.

We provide supper each night, and provide the foods for breakfast and lunch, Community volunteers prepare the evening meal but the group is responsible for clean up after all meals. We provide bunk house style lodging. Participates will need to bring pillows, and twin sheet sets or a sleeping bag we have blankets if anyone leaves them behind. You need to bring any personal toiletry items. We can provide some evening entertainment incorporating the Appalachian Culture. If your group is interested let us know when you call to confirm your dates so that we can have it ready for your visit. We also require that each participate provide confirmation of insurance, a tetanus shot within 5 years and their insurance confirmation before they will be allowed to participate in the program. We have enclosed copies of our Participates Information Sheet ,Insurance Forms and Bunk House Rules, please make copies for each of the participates including adults and return the completed forms as soon as possible.

If there is anything more that we can assist you with in preparing for your mission trip please let me know. You may reach us at (276)-566-7142. Just ask for Teresa Sturgill. I am looking forward to working with you and your mission group this year.

Sincerely  
Teresa Sturgill  
Program Director
