

親愛的家長 Dear parents and guardians :

您好！

今天我們完成了第六課“新年快樂”的學習，複習了一些關於中國農曆新年的風俗習慣。

Thank you for an another great Saturday afternoon! I had so much fun learning with you! This Saturday we finished lesson 6 and reviewed some traditions about Chinese new year.

Some students always volunteered to answer questions, which is great! A few students still didn't want to turn on the camera, which lets me find it hard to have more interactions with them. Please help them if you have time.

Thank you for your extra help at home!

作業如下 Homework :

1預習第七課：我受傷了 Preview lesson 7 (textbook B)

2朗讀一首現代詩“熱愛生命”(見附件) Learn the poem (see attached)

3欣賞歌曲“最好的未來”和學校校歌（見鏈接） Enjoy two songs: *Best future* and our school song (see attached)

4完成第6課課堂練習，如果沒有完成 Finish the exercises (making 2 sentences with each sentence pattern) in lesson 6, if you didn't have enough time to finish it in class

5做一個關於元宵節的手工，如果你喜歡（見鏈接） Make a lantern for Lantern Festival if your family celebrate Chinese New Year (see attached)

Passion for Life

by Wang Guozhen

I care not whether I can succeed.

Since in choice of the distance,

I simply travel in wind and rain.

I care not whether I can win love.

Since in deep love with a rose,

I just unbosom myself bravely.

I care not whether hit by wind and rain.

Since my goal is to reach the horizon,

Only my back is in face of the world.

I care not whether future is smooth or muddy,

If only I have passion for life,

Everything will go as expected.
