

OPAL Meeting Minutes – Thursday, September 17, 2020 – Heritage Park – Westerville

Demonstration: Michael Crapser – Portrait Painting

Our meeting was very well attended! It was great to see everyone and get caught up on what has been going on in each other's life over the last several months. Michael Crapser was our demonstrator for the evening. Michael did a great job of walking us through the process of creating a portrait painting. It's not easy creating a portrait in an hour, but Michael did a fantastic job! Thank you Michael!
