

The Family Holiday Surprise Box!

Give the Gift of Family Togetherness and Sweet Childhood Sentiments

Happy Face Nursery School has been inspired by Scholastic books, Melissa and Doug and Crayola crafts, Pinterest, and other high quality children's companies to gift your family an especially curated box chock full of books, games, and creative do-it-yourself holiday sentiments to bring your family together!

Our Holiday Surprise Box comes with beautiful and individually packaged gifts to be opened throughout your holiday season. Each box comes elaborately postmarked and addressed, along with a keepsake letter from the person of your choosing. Let us gift you stress-free moments to enjoy during this holiday season with your family!

For each box bought, a \$25 donation is given to the Happy Face Fundraising account to raise money for a SUPER EXCITING educational event for all Happy Face children to enjoy. If we are able to sell 24 Holiday Surprise Boxes, we will be able to give our children a traveling exhibit from the Camden Adventure Aquarium, or a science show from the DaVinci Center THIS SPRING! Our students would LOVE this!!

Each Surprise Box costs \$75, and is guaranteed to make memories and smiles each and every day!! Your gift box products, books, and materials will be valued at no less than \$50. The remaining \$25 is a donation to the Happy Face fundraising efforts so all children can receive an extra-exciting, and memorable day-long education exhibit at our school this Spring!

Please let our group of amazing parents, and the Happy Face Board of Directors, build these special packages for you. Let us take some stress off your shoulders during this busy season so you can create magic and memories as a family.

Use the below order form to personalize your Holiday Surprise Box even further!

We sincerely thank you for your donation!!
