IN NORTH CAROLINA DISTILLING,

 MOTHER EARTH SPIRITS

It's no wonder some of the world's best gin, whiskey and rum is being made in Kinston, N.C. After all, folks around here have been practicing making spirits since before it was "respectable" (not to mention legal). Since then, we've refined distilling to an artisanal craft using the earth's finest ingredients, in our solar-powered facility. This process yields flavors our ancestors – and Mother Earth – would certainly approve of. MOTHEREARTHSPIRITS.COM

Did you know: Local ABC boards in North Carolina are established and operated with no state funds. However, through the sale of spirituous liquor in ABC stores, approximately \$1 Billion in revenue is generated annually. Distributions benefit the State's General Fund and the cities and counties where alcohol sales are allowed.

Total revenue distributions during fiscal year ending June 30, 2016 amounted to \$380,965,967.

Permit Renewal

All Mixed Beverage, Brownbagging and Special Occasion permits expire on April 30th of each year. Notices are mailed to permittees during the month of February. The permittee is responsible for renewing the permit, and failure to receive a notice is not justification for being allowed to retain the permit beyond April 30th.

Permits not renewed by April 30th will be cancelled. After April 30th, should new permits be desired, a new application must be submitted and the full fee paid, (\$1,000 for Mixed Beverage, \$400 for Brownbagging and Special Occasion). Application and renewal fees are not pro-rated.

Permit Registration

All on-and-off premise malt beverage, beer and wine tasting, fortified wine, and unfortified wine and wine shop permittees must pay an annual registration/inspection fee by April 30th. Notices are mailed to permittees during the month of February.
