**From Your
Florida District Directors
Fred and Karen Kennedy
(FL1-D, FL1-E2)**

Greetings All!!!

I'm sitting here writing this article shortly after arriving home from the **2024 Florida District Gathering of Friends for FUN** and my head is still swimming from all the activities and has yet to slow down to a more normal pace. Karen and I had an absolute blast hosting this event and enjoyed hanging out with everybody who came. The compliments were flowing and problems were few, all in testament to the hard work of your entire Florida District Team. We'd like to thank all who came out and supported our rally and are so pleased that everybody had a great time, because the real measure of the success of any event, is the satisfaction of those who attended.

The new venue was outstanding and the staff were more friendly and helpful than we could have hoped. By the time we checked out of the hotel for our trip home Sunday morning, reservations for the next year's rally were already being made, with several dozen having already been booked. As I mentioned during the closing ceremonies, we sold out of our room block for this rally faster than we expected, so we have expanded our block to include the entire hotel! Even though we have added to the number of rooms available, don't wait too long to make your reservations, because there are still only a limited number of rooms available and we don't want you to miss out staying at the host hotel.

We also had many dignitaries from the EWMA International Team as well as the COO & Founders, Bruce and Barb Beeman. It was really nice to see all of them and each said they also had a great time. We'd like to thank them for being there and making our rally even more interesting.

Then there were the vendors. What can I say. We might not have had as many vendors as in years past, the

(Continued on page 2)

(Continued from page 1)

ones we did have were absolutely the best of them all. We thank each of them for choosing to attend our rally and hope they all did well with their sales.

A huge shout out and Thank You to KD Cycles... Kevin Dodd generously donated 3, count them, 3-\$500 prizes, that's \$1500 that our members got to take home! WOW!

We also started, what I hope to be, a long-term relationship with Gainesville Harley-Davidson, located directly across the street from the host hotel. They opened their doors for our attendees to browse their extensive inventory of bikes and apparel and also placed 2 beautiful bikes on display in the hotel itself as well as providing several bikes for test rides in the outdoor vendor area. We really appreciate their participation and look forward to working with them in the future!

Remember, when you support the vendors, they support us by coming back next year.

A very special thank you to Visit Gainesville, who assisted the district in making this rally succeed in the new setting. We

appreciate Bailey and her co-workers for all they did for us.

It took many, many hours of planning and hard work to pull this event off and it took a lot of effort by every district team member and volunteers, but the end result is one that we are all proud of and have already begun the process of making next year's rally even more **FUN**, because in **FLORIDA**, **FUN is the #1 Goal!!!**

What's next on our list?

Tennessee's "Banjos & Barbecue" District Rally, to be held in Johnson City, April 25th-27th. We are looking forward to the venue and great riding this area provides and, of course, meeting up with old friends and making new ones too! I love me some BBQ too! There's no doubt that we're going to have a great time, not only being there, but getting there will be **FUN** too, now that my trike is finally out of the shop and this will be our first long trip with it.

Two very exciting EWMA events are rapidly approaching. The closest on the calendar will be the EWMA International Ride-In, located in Loveland Colorado, June 21st-22nd, 2024. This event is located in the picturesque Rocky Mountains

with thousands of miles of fantastic riding. Unfortunately, we cannot make this event due to scheduling issues, but we definitely are going to the 2nd event, which will be the 2nd Rendezvous being held in Green Bay, Wisconsin, August 29th-31st, 2024, at the KI Convention Center. Lots of activities are planned and 3 nights of **FUN, FUN, FUN!!!** We have already registered and reserved our rooms, so we hope to see you there! I've never been to Wisconsin and hope that I can sample and bring home lots of tasty cheese!!!

You can find fliers for these and all the Region A rallies on our EVENT page at WWW.EWMA-FLORIDA.ORG .

In closing, we will be attending many rallies this year and are so excited to have the opportunity to be Florida's District Directors and act as ambassadors for the **FUNshine State**, where **FUN is the #1 Goal!!!**

So, until we are together again,

Ride Safe, Ride Often... but most of all... **RIDE!!!**

Fred and Karen Kennedy

Rally & Vendor Coordinators
 (FL1-A, FL1-B, FL1-M, FL2-A, FL2-O,
 FL2-R)

Here it is April already! Good news is the 2024 EWMA Florida District Friends for **FUN** Rally is officially over and it was a huge success at the new location! The Best Western Gateway Grand in beautiful Gainesville. A great hotel, convention center and riding area that offered our attendee's a **FUN** experience and great memories. We had good quality vendors and thank them for setting up for us and you! You can still support them by ordering from them even when not at a rally. Their

contact information is on the District Website under the vendor tab.

The Florida District Team did a wonderful job, as usual, making everything run like clockwork and providing everyone a rally to remember. The hotel and convention center staff was easy to work with and bent over backwards to do everything we requested and the work was done in a timely manner.

Special thanks go out to Fred and Karen Kennedy for stepping up to the District Director position and skillfully making the rally **FUN** for everyone. They did very well for being in charge of their first rally in that position.

Cheryl and I were the Rally and Vendor Coordinators this year, but we are stepping away from that active roll; but, will be available to help always. We will still be busy with our VP of Membership Benefits position

and EWMA Rendezvous Vendor Coordinators.

This will be our last monthly article for the **FUN**shine Times. After proudly being the Florida District Director's for 6 years, we had a blast and had the best District Team we could have asked for. We are so happy that the Team decided to stick with Fred and Karen. They are lucky to have each other.

We have already secured our room reservations at the Best Western Gateway Grand for the 2025 Florida District Rally. Don't delay, they sold out early this year so don't forget to get your room before that happens again.

We hope to see you at the 1st EWMA International Ride-In at Loveland Colorado on June 21st - 22nd and again at the 2nd EWMA Rendezvous in Green Bay Wisconsin on August 29th - 31st, 2024.

Get Ready!!! For 2025, we are going back to Gainesville, FL, for our 2025 Florida District Gathering of Friends for FUN

Dominick & Diane DeSiato
**District Safety /
 Ride Coordinators**

Greetings to all!

The 2024 Florida District Rally is now in the history books. What a success it was! Good times with good friends and making new ones. We look forward to doing it again (even better) in 2025. I want to thank all of the District Staff for their invaluable contributions and service. I would like to extend a special thanks to those team members I had the pleasure of working with directly. A special thanks to Fred & Karen Kennedy for their guidance, assistance and cooperation. Thank you to Ed Carr & Carlos Lozano for leading the Group Rides on Friday & Saturday. The weather was perfect and the rides were interesting and enjoyable. For those of you that thought you would not be able to ride because the maximum number

of riders in each group had been filled, know this: I volunteered and led a 3rd group each day, so no members would be left behind. EWMA promotes safe riding and so do I. We will accommodate our members in the same manner next year, so next year be sure to bring your bike.

Thank you to Claudia Vega, who conducted the HSI First Aid/CPR Class on Wednesday. Thank you to John Cain, who coordinated the Classroom Presentations. The outdoor Bike Games were a lot of **FUN!** We had twice as many participants as we did last year. The games were **FUN**, a little challenging and safe. If you watched this year but did not participate, I hope you will join us in the **FUN** next year. The Lighted Bike Show had several beautiful bikes with 108 spectators voting for their favorite participant.

Congratulations to the Grand Prize winners. Kenneth Noce, of Gainesville, won the 1st Place Prize of \$5000.00. Blayke Dodd won the 2nd Place Prize of \$500.00. And, Linda Fields won the 3rd Place Prize of \$250.00. The members who sold the winning tickets received a check

for \$100.00 each. You too can win \$100.00 by selling the winning ticket. Better yet, buy some tickets for a chance to win the \$5000.00. Tickets for 2025 will go on sale soon!

Selling the Raffle Tickets is important! The proceeds pay the operational costs of our Safety/Ride Coordinator program. This includes First Aid/CPR. On Bike Games, Rider Safety Coordinator assisted Parking Lot Practice and classroom presentations.

We hope to see all of you again next year at our Florida District Rally on March 13-15, 2025, at the same location. The Best Western Gateway Grand, Gainesville, Florida was a perfect venue for our event.

We are here to assist you with any type of safety presentations: Rider training, Parking Lot Practices, and First Aid CPR Classes. We have short Classroom Presentations on many different subjects which could be given at one of your monthly gatherings. We would be happy to travel. Just contact us and tell us what you would like and we will make it happen.

Ride Safe!

Welcome to spring and a FANTASTIC first PURE Eagle Wings rally, get together, and friendship renewal. Sorry to say that if you missed this one, YOU REALLY AND TRULY MISSED OUT. Everything went like clockwork and **FUN, FUN, FUN**. Then there was seeing all our distant friends. What a gathering.

What a hotel. You really missed it my friend. Oh, by the way speaking of friends:

The highest honor of friendship isn't getting invited to "that party" or out on a girl's weekend, it's not clinking champagne glasses at fancy brunches or wearing matching shirts on a beach in Florida. That's all nice and **FUN** and good and special, but it's not what it's about. NOT AT ALL.

The real honor of friendship is being invited into someone's REAL. It's getting an invitation to the nitty-gritty, the not-so-pretty, the hard stuff, the vulnerable stuff, the weird stuff, the unpolished stuff. It's being welcomed into a home where the sink is full of dishes, and the laundry is all over the couch.

It's entering the places of heartache and pain. It's entering the hospital room when your friend is still in the mesh underwear from birth. It's sitting cross legged in old

sweats laughing until you cry. **It's** carrying secrets that you've been trusted to keep. It's listening and hearing. It's holding space for each other.

It's answering phone calls just to talk. The highest honor of friendship isn't found in beautifully planned events or brightly filtered photos.

The highest honor of friendship is messy and dingy and real. It's in UNFILTERED photos of laughing so hard your double chins show It's loving each other's babies and holding each other while you ugly cry. If you have been invited into even one person's REAL. YOU ARE BLESSED... CHERISH IT.

Thank you to all those who supported the hospitality room.

Please support all the upcoming rallies this year.

Over 100 enthusiastic EWMA members benefitted substantially from the six outstanding EWMA Safety Presentations at the 2024 Florida District Rally. Many thanks to all attendees for

sharing their safety tips and stimulating contributions to the discussions. It was a great atmosphere for give-and-take learning about so many vital motorcycle safety topics. Of course, the presenters all did an excellent job and deserve special recognition. The presenters were:

All 20+ EWMA Safety Presentations, long and short, are available online (EWMA-World.org) for any member interested in making a presentation at any official EWMA function. No special training is required to be a presenter. All presentations include a self-guiding supplement. If any chapter or member wants to have a presenter from outside their chapter, I can accommodate those requests.

Pascua Florida Day

April 2, 2025

Pascua Florida Day is celebrated as a state day in Florida, the United States (USA). It usually falls on April 2. It is the anniversary of the discovery of Florida in 1513 by Juan Ponce de León, who searched for gold and the Fountain of Youth. He named the land "Pascua Florida" probably because the date was near Easter.

Public Life

Pascua Florida Day is designated as a state day.

When it falls on a Saturday or Sunday, the governor may declare either the preceding Friday or following Monday as the state day. According to the 2007 Florida Senate Statutes, the Governor of Florida may annually issue a proclamation designating April 2 as the state day and designating the week of March 27 to April 2 as "Pascua Florida Week" and calling upon public schools and citizens of Florida to observe the same as a patriotic occasion.

No transport schedule changes have been announced by major bus companies, such as Greyhound Lines, and train lines, such as Amtrak. According to the Florida Department of Education, Pascua Florida Day is not a school holiday.

Background

Florida was named for the day on which it was discovered by Spanish explorer Ponce de León, who called it La Florida in honor of Pascua Florida, the Spanish

Feast of the Flowers at Easter time. While there are no official records, historians believe that Ponce de León was born in 1460 in San Tervas de Campos, Spain.

Ponce de León accompanied Christopher Columbus on his second voyage to the New World. He became the first Governor of Puerto Rico by appointment of the Spanish Crown. He is also notable for his voyage to Florida, the first known European excursion there, as well as for being associated with the legend of the Fountain of Youth which is said to be in Florida.

With two vessels, 200 men, 50 horses and other domestic animals, and farm implements, he sailed for Florida. Upon landing on the west coast, his party was fiercely attacked by Native Americans, and he was severely wounded by an arrow. The expedition sailed immediately for Cuba, where Ponce de León died.
