ABC'S OF SALVATION

The ABC's of Salvation explain the Way of Salvation through Faith in the blood of Jesus Christ alone. GOD became a man, Jesus Christ because Humanity acquired a 'Virus' due to disobedience and rebellion against the commands of the Creator. This led to a separation from knowing GOD and 'Eternal Death'. This 'Sin Virus' caused not only a degeneration of one human body but a spiritual one ultimately. By dying on the Cross of Calvary, Jesus became the antidote and anyone that receives Him by confession and applies His blood by faith becomes 'immunized' from the consequence of not only a physical death but the judgment to come and Eternal Death. This 'inoculation' is effective because Jesus rose from the Dead and so will all those that believe on His Name and follow Him. It is also free of charge.

A

ADMIT YOU HAVE SINNED

For whoever shall keep the whole law, and yet stumble in one point, he is guilty of all. – James 2:10

B

BELIEVE ON JESUS CHRIST

For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not die but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world through Him might be saved. – John 3:16-17

C

CALL UPON THE NAME OF JESUS

...That if you confess with your mouth the LORD Jesus and believe in your heart that GOD has raised Him from the dead, you will be saved. With the heart one believes unto righteousness, and with the mouth confession is made unto Salvation. – Romans 10:9-10

COVID-19 VACCINE

SHOULD I TAKE THE COVID-19 Vaccine?

A brief comprehensive piece of information providing evidence with sources referenced about the dangers of taking the experimental mRNA vaccination being rolled-out for the COVID-19 virus.

Are the COVID-19 Vaccines Safe? **NO**

The information and list provided below outline the dangers of the experimental COVID-19 vaccinations. The new technology being introduced is new and never before studied long-term. Many of the Federal mandated safety gaps and trial have been passed-over. One is not saying the latest released Coronavirus type is not real.

The issue is that the reasons being presented by the World Health Organization and the U.S. Center for Disease Control attest from their own data that the virus is no more than a severe flu and that there is a 90% recovery rate. The mortality rates have been skewed by labeling all types of death as 'COVID-19' related. Those Doctors with opposing opinions, research or suggestion of alternative medicines are being censored, de-platformed and silenced altogether. Why? The following is the list, not all inclusive as to why this type of vaccination, that is not based on traditional definition and application should be avoided at all cost. Maintain a strong healthy Immune System, seek alternative treatments. The COVID-18 vaccines are not about the virus.

WHY THE COVID-19 VACCINES ARE DANGEROUS:

- 1-It is experimental, most 'normal' vaccines take 10-15 years.
- 2-mRNA is new technology interacting with DNA.
- 3-mRNA is like 'software' encoded to reprogram DNA.
- 4-The COVID-19 vaccines have Aborted Fetal Tissue .
- 5-Doctors attest to a high probability of becoming sterile.
- 6-Has HIV Inserts to boost efficacy of contaminate.
- 7-There has been reactions, seizures, heart attacks, death.
- 8-Requires multiple doses as 'immunization' is temporary.
- 9-People will still have to wear masks and social distance.
- 10-Eventually will have Nano-Tech to read body Biometrics.
- 11-Info/data can be uploaded/downloaded remotely via 5G+.

SHOULD I GET THE COVID-19 VACCINES?

The purpose of this brochure is to have a resource in-hand of introductory information people need to have, read and investigate for themselves of a complicated topic, the COVID-19 vaccinations. Why the warning? Based on over a year of in-dept research, one is of the opinion that the alternative viewpoint is not being allowed to reach the public in an effective way. Why not? Such information is contradicting the official narrative that are pushing said vaccines without proper scientific oversight, despite being said so. With the excuse for the lockdowns exploiting the fears of the people, it has provided the powers-that-be an excuse to usher-in such a vaccine that gives no liability to the corporate pharmaceutical industry. The refusal to not be vaccinated has already cost people their jobs, ability to travel, to visit, work as well as to 'buy and sell'. The following is a basic 5-question rubric that was developed by JD Farag of what many are asking about what are the dangers of these COVID-19 vaccines. The answers will have supporting evidence that can be researched online by their title.
