The British devel governments first teef Me Earths and destroyed Us for many Thrillions of years. The British is Democrat. The republican federals that is now American governments and all the governments that exist in the different states today came next. Those two devel clans fight and killed each other for Me propertys, and they destroyed Me an Me Children and Me propertys. Today the British devel governments is the Democratic republic as America put them under republic while the American is the George Washington/Joe Biden republican and republic government. Those British that fight against the George Washinton/Joe Biden republican is still here in Me Unite States - US, and they formed the Democratic party while the George Washington/Joe Biden is the republican party. The George Washinton/Joe Biden republican can never switch or change to Democrat and that is what they do. There is no party or government system of any sort in this Earth an Me other Earth areas. The whola ov oonu/you fe know this

You the politicians, the governments, the governors, the Presidents, the Prime minister the Mayor, the Chancellors, the Priests, the Pastors, the Imam, the Rabbis, the Kings, the Queens, the Monarchy, and many others of your connections are the Murderers, and the Killers, and the Deadas, and the Terrorists, and the Teef. You is naught Naught Naught NaughtNaughtNaughtnaughtnaughtnaughtnaughtnaughtnaught and is Neva Eva Neva Eva Neva Eva Neva Eva Neva Eva Neva Eva anywhere an the whola ov oonu/you is CONDEMN CONDEMNCONDEMNCONDEMNCONDEMNCONDEMNCONDEMN CONDEMNCONDEMNCONDEMN an the Whola ov oonu/you get out ov Me Earthszzzzz

It is you the governments that cut out the Earths states and dumped in the Falklands Islands and the Galapagos (Gag posts) Islands and dumped the states and cities and towns into the Oceans and the Seas and into the water Paulett Angella Hemmings Night - PAHN areas, and water PAHNDA areas, and the Florida PAHN handle water areas, the Florida Everglades PAHN PAHN PAHN areas and the Bermuda Triangle PAHNDA water area, and the Panama Canal PAHNDAMONEYOUS water areas, and the water PAHNDAMONEYOUS is (Paulett Angella Hemmings Night an DAY Moneyus) areas and then you level and flatten off the top of these areas and you called them dry desserts of Saudia Arabia, Sahara desserts and the America Mojave Desert is the Paulett Angella Hemmings many states that the Wicki governments cut out of Jamaica Chreations and turn upside down on top of the PAHN and the PAHNDA, and the PAHNDAMONEY water areas. The governments leave the bottom turn up with the many foundations of the Earth turn up so that no One can use the areas like how they use the Arizona desert areas to live.

The landscape of the Mojave Desert in the US

Okavango Delta in Botswana

These is Me PAHN, Me PAHN PAHN an Me PAHNDAMONEY areas they call the Okavango Delta in Africa

Me PAHNDAMONEY water area connecting to Botswana, Angola, and Namabia in Africa- they name the Okavango Basin

This is one of Me PAHNDAMONEY water area in Botswana Africa that spans through Angola and Namabia. The Wicked devel governments cut out this Natural Natural elevation we are in now and dumped Us into other water areas and bring up the PAHNDAMONEY water areas with many of Us inside of it, and then they and many others not from this Earth go inside and outside Me areas them mus never be in and them don't tell Us how to go into these areas Us must go to and to eat the foods from there and to see others of Us.

According to the Intrepid travel tours "Explore the remote waterways of the extraordinary Okavango Delta in Botswana, be awed by the thunder of Zimbabwe's Victoria Falls and travel down the (OKE) Chobe River at sunset" <https://www.intrepidtravel.com/us/botswana/okavango-beyond>). This is the same as OKE Chobe River in Florida, US. The Okechobe river is the Okechobe of Jamaica West Indies Chreations that the devels governments cut and chopped up and give away, so that the Earth is destroyed. The Oke Chobe areas/Okavango Basin spans the Republics of Angola, Botswana, and Namibia. The Victoria Falls and the Okavango Delta is Jamaica West Indies Chreations areas the American and British and their other connect Wiki Kids governments like the French, and the Germans and sometimes the once powerful Middle East governments cut up and destroyed. They cut out the many areas and then they turn them

upside down and turn the states upside down with Us living in the Upside down and you don't know it. These wicked Chreations devels use many kinds of power and weights like the many spaceships with many outsiders in there and many heavy weight machines they make to use as power and strength to keep things in the wrong way and they is still doing these wicked ACTS even today.

The whola ov the governments continuing to destroy the Earth elevations and then say the destroy is the eco system and are wetlands of Australia like the Barmah Forest and the Wetlands in Kakadu National Park. The pillars of the PAHNDAMONIUM Water areas of this elevateone/elevation below is the governments of America cut out the Jamaica West Indies Chreations states and stitch it together with other states and call it Colorado in America. Some years later the British and the American government cut out the state of Colorado again and lift it up and tie it up in the air and call it the continent of Australia. When they cut out the Colorado State, the PAHNDAMONIUM burst in many pieces and many of Us were explode out and never to be seen again. The British government controls Australia and called this destroy areas Kakadu National Park and wetlands. Australia has many ruin states and ruined PAHN areas that is controlled by the British devel wickeds, and wickeds is one of the names of those that mus neva be inside Me areas an never in Me Earthsz.

Kakadu national park, NT Australia is the PAHNDAMONIUM Pillars of the Jamaica Earth States the governments cut out and dumped upside down in Australia

The devel governments also control the wetlands of Brazil like the Amazon wetlands, and the Pantanal (PAHN Canal) wetlands. According to Brazil Wildlife Conservation Society “The Amazon Basin is the largest river system on the planet, covering an area about the size of the continental United States and delivering 15-16% of the freshwater entering our oceans. Amazonas State in Brazil, is unique in the size and abundance of its flooded forests, flood plain lakes, and other wetlands, and is home to an astounding array of globally significant wildlife, including iconic species like jaguar, caiman, pinkriver dolphin, manatee, giant river otter and Amazonian riverturtle” (<https://brasil.wcs.org/en-us/Initiatives/Amazon-Waters.aspx>).

The Amazon rainforest in Brazil is three different PAHNDA PAHNDA 6 Times joined together

This is three different PAHNDA PAHNDA PAHNDA PAHNDA PAHNDA PAHNDA or PAHNDA PAHNDA 6 Times in Brazil that others of Us live into on the dry Earth elevatone/elevation, the wicked devel governments use the military an army to bring It up and then they join them together so they stretch deep and wide. On the top, the many devel reptiles live there in a Mal Rule way that mus not exist in Me Earths areas.

There are many other areas in Brazil that Me children is also living in the wrong way, as the devel governments destroyed the Natural Natural Earth Elevatone on top, so they can go and come in an out Me water areas they mus neva be in. According to Joe Yogerst of CNN, July 28, 2017, “the world’s largest freshwater wetlands, the Pantanal is a mosaic of rivers, lakes, swamps and mudflats. Although mostly in Brazil, the wetlands creep across the border into neighboring Paraguay and Bolivia, a total area nearly as large as the island of Great Britain or the state of

Utah. With myriad waterways and expansive grasslands rather than solid walls of vegetation, the landscape is similar to Africa's Okavango Delta (<https://www.cnn.com/travel/article/brazil-pantanal-wetlands/index.html>). The News gives wrong information so they must neva be open, an they are all liars.

In the US today, the wetlands of the Florida's Everglades is filled with crocodiles, crockrusdile, crocotile, and the dangerous boa constrictor snake and dangerous Python snakes and many other kinds of devel reptiles along with the unseen military and navy and army to stop Us from going to the Jamaica Chreations areas that is connect to the many different Earth areas inside of the Earthszzzzzz.

The Florida Everglades was an area where many could drive through and walk through to go to the Jamaica Chreations down below that is connect to the rest of the Earth Elevations and to the many different types of Earths on the inside. Since 2018, the Earthszzzzzz has changed and there is no more a round ball Earth.

The British and American government devels destroyed the Florida Everglades that is a mixture of many Jamaica West Indies Chreations states they cut and stitch together including the Flowerzz states, the Ridda States, the Pauletta States, the Pauleithe States, the Cluettas States the Mississippi States, and many more states they destroyed and dumped into the many PAHN water areas then they name it the Florida Everglades and call it wet lands and swamps for native animals that is the government crocodile and the government snakes and many other kinds of government reptiles. The British and the American Kings and Presidents, they cut out the PAHN water areas and the many Blue Rocks for Us protection and many other Black Rocks and Colour Rocks for Us protection and they cut out also the White lime stones that Us is to drink to protect us from the governments and the Wiki and other devels then they dumped them down into the Everglades swamp with Us under the destroyed areas and Us buried down with the many earth ground and plants and trees an the pillars of the Earth on top ov Us an Us Earth Ones buried upside down in the destroyed PAHN PAHN areas. These Wicked Wronga Banga and Banga Ranga is what those Creations destroyers do to Me Children an Me areas everywhere, and they teardown and destroying Us and everywhere that exist.

The PAHN, the PAHN PAHN and the PAHNDAMONEY Water areas called the great basin in the Nevada national Park

This is one view of the PAHN, the PAHN PAHN, and the PAHNDAMONEY in Nevada US that the America government and the military is stitching together like they do in Africa. The Wiki devels also tear down this Natural Natural Earth elevation and cut out the Earth foundation and turned the states upside down into the PAHN and PAHNDAMONEY water areas where Us live. In these areas there is Deep Deep Deep Deep Deep water on top, then Earth in the middle and water on the bottom and Earth in the middle and water under the bottom of the Earth, and each elevation continue in this format, not like what you see in the picture above, as this is destruction/destroy One, as Us is name ONE and never People.

The federal governments destroyed Us when they chopped Us up and turned the states and Us upside down into the Water areas and that destroyed the PAHN, the PAHN PAHN, and the PAHNDAMONEY areas. Everywhere you go into this Earth and see these mountainous areas, that is what the federal government and the other wicked devels do to Me Children an Me Property and call it forest and national park.

The Baja California Desert is the Jamaica Creations states the America government dumped into the PAHN PAHN 6Times

According to Wikipedia “The Baja California Desert is a desert ecoregion of Mexico's Baja California Peninsula”. It is a wrong name and a wicked ACT of the devel governments. This is Jamaica West Indies Creations that the federal governments of British, America, French, Germany and Spain cut out of Jamaica and bring to the California areas then they dumped the Jamaica states upside down into the PAHN PAHN PAHN PAHN PAHN PAHN otherwise called the PAHN PAHN 6Times. Then they use strong force to push the States with everything and Every One down into the PAHN areas and then that tear out and tear down the PAHN and it burst out and overflow then they come into the PAHN areas and looked to see the damage they do more of the forcing down the states into the water areas and then they use the Marines, the Military and the Army to do other damages over the many centuries and centurymenias ongoing.

The American governments and their devel friends cut out many Jamaica Creations states and dumped into the PAHN PAHN 6Times - the pillars of the Earth sticking up

The top of the PAHN areas they cannot exist there, as the pressure of the Earth states and the foundation of the Earth is pushing down on them. According to the wilderutopia.com “The Baja California peninsula, despite rampant growth in tourism, retains the spirit of primordial “Earthly paradise” of California, stumbled upon by the gold-fevered Spaniards almost 500 years ago” (BY JACK EIDT – POSTED ON JULY 10, 2013). This is a pretty picture lying tail telling you lies. They don’t want you to know what you must know about the Earths Us live in, as the newspapers and the TV and the radio burned and buried the news records that must tell you what happened to every dust into the Earth every second of the day. The governments take over all the magazines printing, newspaper printing, radio news and radio goings on, and also take over the Schools and Colleges and book publishing and TV stations everywhere, and use them for government lying tails and fooling Us about who Us is and what is ours and how to get what is Ours.
