Let Experience be Your Guide

## **PHARMACY MANAGER – EASTON, PENNSYLVANIA**

**WEBCO HR, Inc.** is seeking a Pharmacy Manager for one of our clients located in Easton, Pennsylvania.

### **SUMMARY:**

Our client's management team is looking for a compassionate, patient centric Pharmacist to manage and grow our pharmacy presence. Their goal is to make you feel empowered in the role that you play when managing your pharmacy, personnel, client relationships/clinic support and patient population.

New Pharmacy set to open June 27th, 2025. Candidate must have min. 3 years of retail pharmacy experience.

### **Work Shift & Hours:**

- Monday thru Friday ( between 8-5pm), some exceptions per clinic.
- No nights, weekends, and closed most federal holidays.

### **RESPONSIBILITIES:**

As the Pharmacy Manager, you will be responsible in managing our pharmacy relationship with our health center client. This includes engaging with clinic providers and their clinical staff, providing drug related education, acting as a member of the patient care team, and attendance of clinical meetings.

The patient's health, compliance, and satisfaction are the most important factors. As the Pharmacist in Charge/Pharmacy Manager, you are responsible for demonstrating the highest standard of patient quality care – from advising on prescriptions to helping chronic and specialty conditions. In addition, you are responsible for facilitating a team culture that promotes caring, enthusiasm, and pride by leading, and directing your pharmacy staff to achieve specific goals.

- Provide support and education to patients on their medications.
- Management of staff pharmacist and technicians, if applicable. Management of staff pharmacist and technicians, if applicable.
- Motivate, inspire, and develop the pharmacy staff by maximizing colleagues' strengths and weaknesses.
- Address knowledge gaps by increasing knowledge through education and training.
- Pharmacy operational management and oversight. This includes:
  - Patient Safety.
  - Pharmacy Professional Practice.
  - Regulatory Requirements.

- Quality Assurance.
- Customer Service.
- Personnel Management.
- Inventory Management.
- Financial Profitability.
- Loss Prevention.
- Workflow Management
- Keep abreast and stay current with HIPAA and Frauds Waste and Abuse credentialing.
- Comply with all applicable legal rules, regulations, and procedures.
- Ensure that the Pharmacy and its employees are compliant with Federal, State and Local laws regulated.
- Ensure that the Pharmacy and its employees are aware and compliant with local facilities policies.

### **REQUIREMENTS:**

- Bachelor of Science or PharmD in Pharmacy degree from an accredited university is required.
- Required licensing/credentialing/certification as established by federal and state regulations in the state in which you are practicing.

### **Preferred Experience and Skills:**

- Previous management experience in a retail pharmacy setting, 340b knowledge is a bonus but not required.
- 3 years related pharmacy experience.
- Immunization certification is preferred.
- Vaccination Administration.
- Planning and implementation of growth strategies for your pharmacy.
- Excellent oral and written communication skills
- Exceptional patient service skills.

### **COMPENSATION:**

- \$140,000 to \$145,000 Annual Salary.
- Full Benefits.

### **THE COMPANY:**

Our client is a leading integrated pharmacy solutions partner that optimizes accessibility and adherence to medication improving clinical care for non-profit healthcare organizations.

Their mission is to empower healthcare organizations and pharmacies by providing innovative services and solutions that promote healthier communities and drive savings. They are committed to prioritizing affordable healthcare, making it accessible to all and creating a positive impact on society through our services and partnerships.
