

# THE JEWISH 3RD TEMPLE

The purpose of this illustration is to provide a conceptual rendition of what the past 2ND TEMPLE era boundaries correspond to the current present-day TEMPLE MOUNT layout. This layout could be how the possible future 3RD TEMPLE will be fashioned. The Jewish people are at a prophetic crossroads. With the ever increasing threat of war in the Middle East, the time has come for the Jewish nation to once again rebuild the Temple of worship that YHVH directed would be a *House of Prayer for all Nations*. Perhaps, now that Israel is a sovereign Nation and the TEMPLE MOUNT is under its jurisdiction, the 3RD TEMPLE will be built shortly. Perhaps a war or calamity will occur to facilitate this. The Book of Daniel alludes to there being in service at the End of Time a yet future Temple that will be fully operational. Daniel further elaborates that the 3rd Temple will have the long lost ARK OF THE COVENANT. It is what is left of the original furnishings constructed by Moses. Perhaps it will be unveiled once the conditions to rebuild the 3RD TEMPLE is prime and thus for the Jewish Messiah to come on the scene. This is in accordance to Jewish eschatology. What the New Testament depicts is that it will be used for the event called the *Abomination of Desolation* in that Israel will accept a false Messiah instead.

### POSSIBLE SCENARIOS

1. A political 'confirming' could be brokered in which some possible "Peace for Land" is made in which the construction and service of the 3rd Temple commences.
2. A treaty in which a Palestinian State is declared and recognized by the world and Israel is confirmed in exchange for the construction of the 3rd Temple.
3. A spoil obtained by a possible all-out military and religious Islamic assault as alluded in Psalm 83 in which Israel's enemies are supernaturally defeated and the Muslim threat to Israel's is such that she will abide in 'cities without walls' in preparation for the later Gog-Magog invasion.

There are many theories of where the Temple is to be built. A speculative position is that of the site that it is over the Dome of the Spirits. This would religiously accommodate the Dome of the Rock from having to be altered.

### TEMPLE AT CENTER OF TIME

There has been an amazing discovery of a mathematical dimensional code of prophecy revealed in David Flynn's book, titled *Temple Center of Time*. In it he postulates that the Dome of the Spirits is where the Holy of Holies should be. From that reference point, 'time' can be measured to specific dates directly related to the affects of the Temple Mount throughout history.

### CORNER STONES

The Ark was basically a portable 'Throne Chair' in which the 'Shekhinah' שכינה Glory rested and the Presence of YHVH was manifested to Israel. It mirrored the real one in the Throne Room of God in HEAVEN. The ARK will be revealed and placed because the AntiChrist will sit on it. This quest has been Lucifer's Master Plan all through the Ages and since he can't do it in Heaven, he will do it on Earth physical through his false Messiah.

"I will ascend into Heaven, I will exalt My Throne above the stars of God: I will sit also upon the Mount of the Congregation, in the Sides of the North" -Isaiah 14:13-15

But this Throne belongs to the Royal Bloodline of Jesus Christ; rightly claiming to be the 'Son of David' sealing Satan's judgment and doom at the Cross.
