COUNSELING CENTER

By R. Rask

Hello Everyone! I will be putting monthly updates in the newsletter on what is going on in the counseling world. For elementary counseling we are focusing on the word Responsibility. We will work on different activities that are geared towards responsibility.

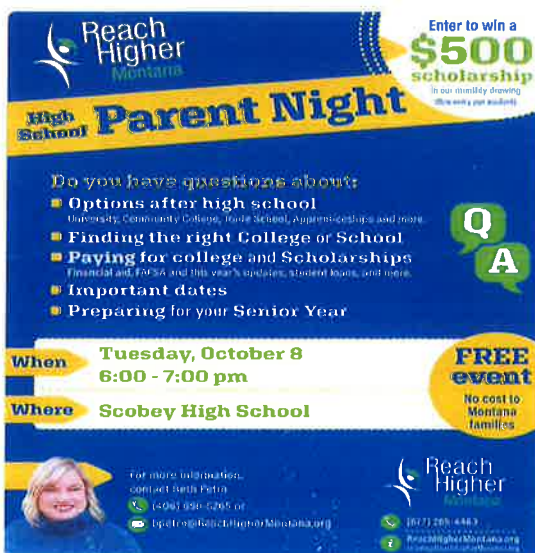

If you are a senior or senior parent, I have the Remind app to put updates out for everyone. The class code is @36e4ha you can join at any time, you will only see the updates from the point that you join. There are a couple different events coming up that I want you to be aware of. It is college application week starting September 30th-October 11th, the seniors can apply to MT colleges and universities for free during that time period! On October 8th Beth Petro will be here with Reach Higher Montana to give a presentation for Seniors and Parents about preparing for your senior year. I will also be adding any scholarships that are coming up due for the month of October. Please let me know if you have any questions! I am here to help!

There are only 2 scholarships that I have listed for the month of October:

AES Engineers Scholarship-Due 10/08/24

VFW-Voice of Democracy Scholarship-Due 10/08/24

Have a great October everyone!
