“I just wanted to follow up and thank you and your entire group for the wonderful trip we had last week at the lodge. Based on my research and your website, my expectations were very high going into the trip, and even those were exceeded. From the minute that we pulled onto the property, Sean and his entire group were spot on! I cannot say enough about the level of customer service and attention to detail that were displayed. We are in the business of customer service, and we recognize it when it is lacking, and when it is done correctly. Sean and his team, do it correctly! We will be back. Thank you again.”

“Words may not express or do justice to the level of service that was provided by Sean Finley and his crew at the Cheyenne Ridge Signature Lodge. From the moment we arrived, the service level was exceptional, and significantly higher than what I’ve ever experienced. All facets of my experience at Cheyenne Ridge were exceptional. I’m so grateful that I had the opportunity to spend a few days with a great bunch of staff that know how to take care of people. You would be proud of the service that Sean and his crew provided. In visiting with my colleagues of Dacotah Bank who were with me at the Cheyenne Ridge Signature Lodge as well, all of them spoke highly of the level of service that was being provided. I’ll be sharing my story with as many people as possible, and will be highly recommending to my friends and associates that they consider having an experience of their lifetime by staying at the Cheyenne Signature Lodge.

Upon arriving home last evening, and again this morning at work, I discovered an Eddie Bauer Fall Outfitter catalog. It was enjoyable for me when I came across the picture and story of the Cheyenne Ridge Signature Lodge, as well as the pictures and story of Michael Pepe, the hunt master and kennel manager at the Cheyenne Ridge Signature Lodge. It’s nice to read a favorable story about a special place and special people that you get to know and enjoy being with!!

Brittany, you can be proud of the crew at Cheyenne Ridge. Fabulous service. Just fabulous!!! I can’t wait for my next visit!!!!”

“We limited on ducks yesterday, a first for everyone in the group, and limited in ducks & geese this morning, with a chance to limit on pheasants this afternoon. Unheard of!!!”

-Rob Robinson, Nebraska

Cheyenne Ridge North Platte Outpost Guest

“Just a quick note to say how impressed I was with the stay for 3 planned and one extra night. The lodge is great layout, but the service from the staff and especially Sean is over the top. What a first class

operation from the food, to the sweets on the pillows at night. Cannot forget to mention 24 of us shot over 600 plus Pheasants in 3 days. I will be back to this lodge or the Nebraska duck lodge within a year. Your staff goes overboard.”

-Scott Liber

Cheyenne Ridge Signature Lodge Guest

“We all enjoyed our trip to North Platte Outpost. The great staff did a wonderful job. We loved the two blinds over on the river! This was our fifth year and we’ve loved each. The North Platte River in late season is like a huge magnet for green heads. One can easily shoot more ducks here in three days than most places in a whole season! There were hundreds of mallards and geese in the sky at all times; it’s a truly beautiful sight. Thanks for the great hunt and hospitality.”

“I purchased a 3 night 2 day pheasant hunt for two at a Safari Club International fundraiser this past March. I invited my hunting friend, Bob along for Oct. 15-18. All I can say is WOW. Sean, Tyla, Scott, the guides, the "interns", accommodations, food, service, etc. Wow is the only word I can think of to describe our stay.

Sean has this place running like a fine Swiss watch! The food was outstanding! The lodge was spotless, the help was polite, competent, smiling, and extremely professional and courteous. Those young Men doing their internships certainly have an extremely bright future ahead of them.

I have been rather lucky to have stayed at some nice hunting and fishing resorts, and now I am truly spoiled! We cannot stop talking about how wonderful everything was. I cannot think of a single thing that could have possibly made our stay any better.

I just wanted to drop you a quick line, and share my feelings with you. We will be back! Thank you for everything.”

“I wanted to pass on my praise for the entire staff for our hunt last week. Given the extreme conditions, everyone did all they could to assure the experience was an excellent one. Certainly the food and hospitality provided by Sean and his staff was exemplary. And as before, we really enjoyed our time spent with Toby as our hunting guide. Toby is a good representative for you and your organization. Of course, Ross and Josh were helpful as well in trying to accommodate us all and adjusting to the conditions etc.

Good luck with the remainder of the season and we hope to see you again next year.”

“John--Holy cow!! What a great hunt we had at Cheyenne Ridge!! I have been hunting South Dakota for 30 years and have never had such a great week. Kudus to Sean and his team for providing our group with undoubtedly the best trip we have ever experienced. The food and service was beyond five star. The guides were super nice and accommodating and the dog work was outstanding. The pheasants were more than plentiful and we enjoyed continuous action. Frankly, I do not know how it could be improved. Please pass along our sincere appreciation to Sean and his team for being such gracious host to our group. We are already looking forward to next year. Many thanks for a memorable hunt.”

“This was my second trip to Cheyenne. Ridge. I thought the first trip was the best and could not be beat ! This last trip was out of this World. Sean Finley and his people were fantastic, and extremely professionalbut at the same time very genuine.....you are very lucky to have such a great situation. I will be back and hope to get a late spot at North Platte Outpost this season. Thank You.”

“On behalf of our group, I would like extend a hearty thanks to you and the employees at the North Platte Lodge for the hospitality extended to us during our stay. Without exception, we were all impressed with the organization, accommodations, food and beverage and hunting experience we enjoyed.

We're all business people and one thing really stands out. Each of the employees appear to really like and enjoy their jobs and the way they are treated by their employers. Nobody is whining and complaining

about the hours, the work, or anything; things we see and hear every day. It is really refreshing and it comes out in the service and courtesy extended to your guests.

“I wanted to reach out to you and provide some feedback on a recent visit to your lodge for a planning meeting/team builder we conducted this week. I participate and host meetings all over the world throughout the year, and the experience we had at your lodge was fantastic! The food was impeccable and the staff was friendly, professional and customer focused. I would put the overall experience in one of the top 10 of my career. I know people are always quick to share constructive feedback to businesses, and as a business person, I think it’s equally important to hear the positive news in a timely manner.

I hope you have an enjoyable fall and good luck hunting. This is my favorite time of year, and always look forward to knocking down some pheasants. Have a great week.”

“Thanks for another great 3 days. Two hunts of 3 days each at Cheyenne Ridge Signature Lodge this fall. I was able to harvest 120 Pheasants shooting by myself with the able assistance and hard work of guide J Cline. Amazing!! Oh, and I'm sure I have added at least 5 pounds due to your wonderful meals! I'll see you for another couple of pheasants hunts next fall.”

“All is well after our wonderful hunting trip to Cheyenne Ridge. My friends and I enjoyed ourselves so much that we all committed to returning next year. We had a blast! The staff and chef were great. We had prime rib one night and it was amongst some of the best I have ever had anywhere. We really enjoyed our guides dogs Roger, Kevin and Scott are awesome. I would like to secure them again for next year. Facilities are perfect. Thanks so much for checking back in.”

“We would like to extend our sincere thanks for a wonderful visit to Cheyenne Ridge. Our group had a great time. Everything was perfect and the hospitality, service and dining experience from Sean and his team were amazing. Thanks again and please let everyone know how much we appreciated all that was done to make our stay first class!”

“I had the pleasure of attending Cheyenne Ridge Lodge again this year with a group of my customers. Everything is done first class and we all experienced a once in a lifetime opportunity. Fortunately, this has and will continue to be more than a once in a lifetime experience. The accommodations are remarkable, the food was scrumptious, the lodge staff friendly and willing to help in any way possible and the guides (and dogs) are amazing. We came to your lodge for the second year in a row and experienced extreme heat each year. Even with the variation in skill and experience of our guests, the guides continually put us on the birds and gave us the opportunity to limit out. Once again, we are looking forward to coming next year with a group of my customers. We are booking a later date in hopes of cooler weather.

My hat goes off to Sean Finley and Staff for their exceptional job!”

“I just returned home from a delightful time at your lodge. I was rewarding an exceptional employee and entertaining a key client. We had three wonderful duck hunts! The food was outstanding, especially the filet and bananas Foster. I thought I had eaten some good steaks but you guys stole the show. Sean was over-the-top with the food and service. You have a great advocate for your lodge in him. I will tell my friends about the lodge, hunting, food and service. Again, thanks for allowing us to enjoy Cheyenne Ridge! Have a great Thanksgiving!”

-David Coffey, Tennessee

“Sonny and I really enjoyed hunting with you guys at the North Platte Outpost! I have been to Texas and New Zealand hunting trophy big game, but I can honestly say the time I spent there was some of the most

fun I have ever had hunting. I can't wait to get my mount up on the wall. I still wish I hadn't missed that big Buck! Thanks.”

“I want to take a moment to thank you for a premier pheasant hunting experience! As you recall, our trip was a special occasion, in celebration of my Dad's 70th birthday. “Just a follow up to our hunt. I have hunted across North America and all kinds of game, birds and varmints with several different outfitters, and this hunt was nothing short of Fantastic!!!! We had a great guide who put in every effort to ensure we had a great time and saw tons of game!!! The food was great as well. Take care and thank you again for a wonderful experience!!!”

“I have gone on some really great duck hunts elsewhere that don't last for any length of time. At North Platte Outpost, the way these ducks and geese leave the river and then move back in after they have fed is truly great. As we limited out on Greenheads every day, there was approximately 3 hours of constant action throughout the entire time. This allowed one to be truly choosy about what was shot. (My hunting partner smokes a pipe and he never managed to finish his pipe the entire time!) Throughout the time we were there we finally quit at just shy of our limit of Canada geese due to our 128 Igloo cooler being leveled off with waterfowl.

Everyone at North Platte Outpost is very enthusiastic about hunting, the accommodations are excellent, the chef makes truly wonderful food and arranges for almost anything a hunter would like to eat. The guide's knowledge of the area was quite good and hunting abilities were excellent. I have been calling waterfowl in excess of 40 years, but the second time I heard Ross call both ducks and geese, I quietly put

my call back in my pocket. The Labradors themselves were experts at working the current in the North Platte River and showed themselves to be very good.

I very definitely recommend this to anybody who is a dedicated waterfowl hunter. I don't know of any place where you can consistently take a limit of mallards and Canada geese, be warm and comfortable, even though the outside temperature might be 10 degrees, and see calling and great dog work with a number of your friends."

"Cheyenne Ridge has really become a special place for me because of the great times I have been able to share w/ my Dad, brothers, and friends. I have hunted all 4 flyways in North America and been told by outfitters, old timers, and experts that you cannot guarantee limits on ducks in the U.S., particularly late in the season. Cheyenne Ridge is the exception to this rule, even in the late season, which is my absolute favorite time to duck and goose hunt.

The North Platte River has incredible concentrations of waterfowl and Cheyenne Ridge has rights to the best land and offers excellent options. Crisp winter weather, snow on the ground, a heated pit, fantastic dogs, and fully plumed ducks and geese diving into the decoys all day long...no place I would rather be.

Additionally, the guides do a fantastic job of allowing the hunter to take ownership of the hunt. They advise and recommend, but really want your feedback and input on the birds you want to kill and the type of shots you want to take. They are also great about hunters calling, no matter the skill or the experience. At Cheyenne Ridge, it is truly your hunt."

"I want to thank you for a wonderful time we had at your ranch. The whole staff was wonderful and it made it a very comfortable experience for my first time on a hunt of any type. I was the pilot of the aircraft that flew six hunters out on the 27th of October. Your staff was right there to pick us up and also at our side to make sure that everything went perfectly—and it did! We had wonderful weather and a very good experience hunting pheasants.

For my first time on a hunt of this type, your lodge was A+. I am a pilot for a major airline based out of the Northeast and I get to see my share of hotels. Your lodge was outfitted beautifully and the surroundings were first-class. From your sporting clays range to your cigar-cognac bar, all were first-

class. Again, thanks to your wonderful staff. I hope we will be flying out again next year, so I can come visit Cheyenne Ridge again.”

“We want them to know what a fantastic experience we had at the Lodge. Our stay started Fri. morning the 5th of July and we left the morning of the 7th. The reason for the trip to the Lodge was to have a family reunion and do some fishing. Sean, Tyla and staff could not have been more accommodating. The meals Sean and his assistant prepared were above 5 star. The young men who waited table were super gentlemen. Our family gathered and relaxed on the patio. Some spend considerable time lounging in the Great room with their books and the magazines provided by the Lodge. What a great environment to immerse into with family. Thanks to Sean, Tyla and staff we have many fond memories of the 2013 4th of July weekend! BTW...I have a daughter who is a clean freak....she came to me and said: “I cannot find one speck of dust anywhere.” All good wishes and best regards. Emmet Rogers & Family.”

“I researched outfitters and couldn't have found a better run operation. Cheyenne Ridge came out on top. The food was outstanding and there was 3rd and 4th helpings if you wanted to eat that much. The guides were all very experienced with most having several years of experience guiding in the area. The camp is very well run. All employees do their share of work and everyone was always happy and in a good mood. This made camp life enjoyable.

I only saw numerous mule deer and whitetail. One just happened to be a very nice 5 x 5 whitetail. I missed him on the second morning. Being as I was hunting with smoke pole we were selective on our shot opportunities. Two out of three hunters were successful, with one getting a very large 6 x 5 muley. The second got a nice 5 x 5. Several nice 5 x 5 were sighted. Most every day the hunters were either into deer or seeing deer. We stopped counting how many deer we saw after the second day because it was becoming a pain to keep track of all of them. This was a ranch house hunt and very comfortable camp. Stop looking and call Cheyenne Ridge!”

“I can only try to express my thanks to you for the wonderful experience I had at your lodge September 6 through the 10th. Having not hunted in about 30 years I was somewhat apprehensive about maybe being a "fish out of water" at such a place, but your staff immediately put me at ease and made my experience a wonderful memory. Your staff is second to none, and I think I even gained five pounds!! You may now consider me your best advertiser in the state of North Carolina!”

“I would like to thank you for the magnificent stay you afforded my son Matthew and me at your lodge. From the moment we arrived until the time we left everything and everyone at Cheyenne Ridge met and exceeded our every expectation. You may have, in fact, changed what we will expect of others in the future. We now know what real service, professionalism and honest caring look like. Many thanks to you, Scott, Travis, Ryan, Trey, ALL the dogs, and whoever brings all the fine food. We would both just ask that clays are thrown closer to our patterns. Really, everyone was great, helpful, and contributed to a perfect hunt. Also, thanks again for all of the sincere offers of help on the first day when I was feeling less than chipper. I can tell the difference between a performance and honest offers of assistance. And everyone who offered meant it. You run a great resort. The hunting was beyond phenomenal, the accommodations luxurious, the food and other refreshments top shelf. Keep it up. We will be back.”

“Thanks for hosting the Remington contingent in such admirable fashion, although I do have a stern complaint! I returned home six pounds heavier than when I left, and I'll have to battle the food gods for a month to shed the surplus! What wonderful cuisine we enjoyed, not to mention being treated royally in every way. All the best, and again, thanks for your gracious hospitality.”

“I wanted to say how great the entire hunting experience was. The accommodations were fantastic and the staff and guides were also excellent. My compliments for an outstanding menu and food presentation; truly first class! We are already talking about doing it again next year and Cheyenne Ridge is everyone's first choice.”

“Thanks for the great hospitality during our recent Remington hunt at Cheyenne Ridge. You guys have got a great facility here! The food and accommodations were excellent. The staff was friendly and helpful. And you've got lots of birds!!!! Anyway, I know that having a first-class operation is not an accident. It takes lots of hard work, so please share my gratitude with everyone at Cheyenne Ridge. Yours is a hunting operation that I would love to come back to...nice people and good upland bird hunting— you can't beat that!”

Thanks again for the great experience.
