DESCRIPTION: The iconic Necedah X-26 was redesigned in 1972. It remained a great shooter, but much slimmer and lighter. This bow has been refinished. Forest green limbs. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. A few filled sight holes on the side of the riser (see pic on last page). No chips, dings or cracks. No stress lines or crazing. A few minor scratches, blemishes and nicks here and there. Decals are a reproduction. Overall, this is a nice bow in good condition for its age.

COMES WITH A NEW STRING
