

WEEK 4 OF TEAM TENNIS

Media Flash

Following a rain cancellation on Wednesday, the teams reassembled on Monday to attempt to knock Team 4 out of first place and solidify their standings as the tournament moved into its final matches. It was a hot and humid day with temperatures in the high 80's. The play on the court was equally intense as the teams battled it out. It was a good day for Team 2 (The Players) who won all of their matches for a max score of 24 points for the day and a cumulative score of 75 points. Despite their wins, however, Team 2 was unable to unseat Team 4 (The Forthcoming) which retained first place with 79 total points. Team 2 is followed closely by Team 3 (The Strikers) with 74 cumulative points and Team 1 (Hot Action) remains competitive with 41 total points. Hold on to your hats folks, it appears that this tournament will go down to the wire. See Scoring Board below.
