For more information, visit sEspokanecountyfair.com.

Storm Clean-up Efforts

Thank you to all the volunteers who worked countless hours cleaning up after the storm on August 11. We are getting closer to getting our town back to “normal”, and cannot thank you enough for your efforts. Special thanks to Avista, Asplundh, Paul Dashiell, Jason Seehorn, Marty and Lindsey Shier and so many others!

Vacant Council Position #5
Interested, eligible residents can find the application at rockfordwa.com.
Applications due 09/16/22

Town Hall will be closed 09/05/22 for Labor Day.

Garbage service will be delayed by a day.

Fire Department News

A new roof was recently installed on the fire department and the siren on the building was also overhauled. With that, the Fire Chief would like to let our residents know that an additional layer of emergency notice will be implemented in the coming months.

If you hear the siren REPEATEDLY going off for an extended period of time, this means EVACUATE NOW.

It has also been decided to bring back the use of the siren to notify businesses and residents when it’s noon. This will be a single blast of the siren. We will give notice before these changes are implemented.

Planning Commission Vacancies

Rockford’s Planning Commission is accepting new members. Applications and details can be found on the town’s website, under “services” and “planning and zoning”.
