

TBLA Assists with LWF Aquatic Education

By: Ramona Moore

The Louisiana Department of Wildlife & Fisheries and Toledo Bend Lake Association (TBLA) presented an Aquatic Education Clinic for all 5th grade students in Sabine Parish on May 9-11, at Cypress Bend Park on Toledo Bend Lake.

The students rotated through stations that included boater safety, fish identification, casting accuracy, aquatic invasive species, knot tying, and cane pole fishing. After lunch, the Sabine Sheriff's

Casting Lessons

Fish Identification

Department provided a K-9 demonstration along with a short drug education program.

Approximately 375 students participated during the three days.

Tim Dean lead the effort for TBLA volunteers to assist Wildlife agents and Sabine Parish Education personnel. The goal of this program is to promote a passion for the outdoors, fishing, and conservation of Louisiana aquatic resources. The students look forward to this event at Toledo Bend Lake each year.
