

Wilson Profile

Name: Wilson

Age: 11 years old

Gender: Male

Spayed/Neutered: Yes

Shots: Current

Personality/Traits: Wilson came to us months ago as an owner surrender. He was pretty grumpy and confused as to why his life changed. His foster mom has worked with him over several months to help him feel better, more secure and how to become a good companion for his future forever home. Wilson still needs to be approached slowly, as he is slow to warm up to new people. He is good with other dogs, but probably would do best in a home as an only dog. He is house trained, kennel trained but does not like it. He enjoys going for walks and loves to play with toys, especially his favorite tennis ball. He would do best in a quiet, calm home with someone with dachshund experience.
