

If I Were a Rich Man

If I were a banker, I would be a rich man.
I would live in Palm Springs.
You would be my girlfriend.
We could join the jet set.
Maybe drop by Japan.
You would have a great tan,
If I were a rich man.

If you find a rich man, you can call him honey.
He can take you anywhere, everywhere.
You could take his money.

And, I could be rich like him,
If I would be like him.
But which is the richer man, my friend?
Which is the richer man?
