FRIENDLY REMINDER

Vehicles should be parked in the garage or driveway. Parking of any vehicle on the lawn is prohibited. Parking in the swale (grassy area between the sidewalk and the road) is permitted, but any such parking will only be allowed if no damage is caused to the grounds. County fire codes dictate that: "Under no circumstances are sidewalks or driveways to be blocked." Parking of any vehicle on empty lots is prohibited. Vehicles are restricted to driving on paved areas only. Using lawns and grassy areas as thoroughfares is strictly prohibited.

Do you own a pet? If you are a pet-lover and enjoy the company of a furry friend, please remember that you **MUST** always have them under your control when they are outside of your house. This means they must be leashed at all times, and under your supervision. Please be considerate of your neighbors and do not allow your pet to go onto other's property. Always pick up after your pet and dispose of waste appropriately.

WATCH GROUP reminds us that maintaining safe and crime free neighborhoods is a community effort. The residents of our five communities should always be observant of suspicious activities and things that seem out of the ordinary. Being the eyes and ears of the community is our first link to stopping crime.

REMEMBER:

All suspicious activity should be reported to:

C.C.S.O. Non emergency #: 941-639-0013
Emergency only #: "911"

Helpful tips for preventing crime:

1. Car door and windows should be locked
2. Bicycles locked or garaged
3. Install outdoor security lighting
4. Keep bushes trimmed by house windows
