

Avoid Purchase of Hewlett Packard Products

Whereas Palestinians are forced to use Israeli controlled checkpoints to move within the West Bank which is part of their own designated homeland, and

Whereas a biometric system of scanning and ID cards are central to Israel's system of control of the West Bank, and

Whereas Hewlett Packard Enterprise (HPE), one of the family of Hewlett Packard companies (HP), is responsible for developing, integrating and maintaining the biometric system used by the Israeli military to control movement, and

Whereas HPE profits from developing systems to racially profile and control the movement of Palestinians, and as such is complicit in a breach of Article 13 of the Universal Declaration of Human Rights, and

Whereas HP operates a development center in Beithar Illit, an illegal Israeli-only settlement city in the occupied West Bank built on land confiscated from the Palestinian villages of Wadi Fukin, Nahhalin, and Husan, and, as an employer in the settlement, HP profits from stolen land and contributes to the tax base and job opportunities that strengthen the settlement, (<http://investigate.afsc.org/company/hp-inc-and-hewlett-packard-enterprise>), and

Whereas HP provides services and technologies to two of the other biggest Israeli-only, illegal West Bank settlements Modi'in Ilit and Ariel, and participated in the "Smart City" project in Ariel, providing a storage system for the settlement's municipality, (<http://www.whoprofits.org/company/hewlett-packard-hp>), and

Whereas the Hewlett Packard Company recently split into two companies, HP Inc. and Hewlett Packard Enterprise (HPE), with more spin-offs projected, and the various HP companies share certain logistical infrastructure, governance, supply chains, and technologies with one another, and they all draw on the HP brand's long history of close connections with the Israeli military and occupation (http://uscpr.org/hp2016woa_pr/), and

Whereas The United Methodist Church has specifically and repeatedly condemned both the military occupation and the construction of Israeli-only settlements in the West Bank ([2016 United Methodist Book of Resolutions #6111, p. 602-606](#)), and

Whereas United Methodists have participated in ecumenical shareholder engagement with HP for more than eight years and have asked them to end their involvement with the illegal occupation of Palestinian lands (https://www.kairosresponse.org/uploads/UM_CorpEngagement_2004-11.pdf), and

Whereas there has been no meaningful progress with HP and no indication of any willingness to change their involvement in the occupation of Palestinian territories (https://www.kairosresponse.org/uploads/UM_CorpEngagement_2004-11.pdf), and

Whereas more than 3,000 Palestinian Christians have implored Christians everywhere to put actions behind their words to end Israel's occupation of Palestinian land (<http://www.kairopalestine.ps/index.php/about-us/kairos-palestine-document>), and

Whereas The United Methodist Church asks all companies that profit from and/or support settlements through their business activities to examine these activities and stop any business transactions that contribute to violations of international law, promote systemic discrimination, or otherwise support ongoing military occupation (2016 United Methodist Book of Resolutions #6111, p. 605), and

Whereas nonviolent tools for education and ethical consumption are central to a living expression of discipleship, with Methodists participating in boycotts as an effective moral economic tool long used by people of conscience including such boycotts as Taco Bell and Mt. Olive Pickle Company, Inc to support farm workers, Nestle to challenge marketing of infant formula, and USA Today to support newspaper workers in Detroit, and

Whereas Jewish Voice for Peace (<http://jvp-boston.org/bds/>) and the Israeli Coalition of Women for Peace (http://www.ngo-monitor.org/ngos/coalition_of_women_for_peace/) support divestment from as well as boycott of Hewlett Packard, and

Whereas the Presbyterian Church (U.S.A.), the United Church of Christ, Quaker Friends Fiduciary, the Alliance of Baptists, and Unitarian Universalists have divested from HP (<http://www.fosna.org/free-your-church-hp>), and

**Whereas in 20?? the _____ Annual Conference approved a measure calling for divestment from HP, and

Whereas an international coalition of organizations and groups have come together to challenge HP's complicity in human rights violations in the occupied Palestinian territories and to ask the company to withdraw from such contracts and stop profiting from the Israeli occupation, (<https://www.afsc.org/resource/campaign-boycott-hp>)

Therefore, be it resolved, that the _____ Annual Conference calls on all conference boards, agencies, offices, local congregations, campus ministries, and individual United Methodists to refrain from purchasing HP products until this family of companies ends its involvement with the Israeli occupation.

Therefore, be it further resolved that _____ (a group within the annual conference, such as Church and Society, Peace with Justice, United Methodist Women, MFSA, CFA, etc) follow up on this resolution by reporting back to 2018 Annual Conference the status of the boycott and when it might be lifted.

** Only applies to annual conferences where they have taken such action in the past. May be omitted in resolutions to annual conferences where this has not happened.
