**Chatelaine Report:** Lady Wynne reported Windy Tuesdays have had two "Sit and Stitch" as well as two classes. There has been 12 - 16 members with 6-7 new contacts. She also gave an update on Art After Dark which will be listed under old business.

**Exchequer Report:** Hilde Steward reported that at Crown, they didn't have trifold pamphlets and asked for more to be printed for the future. The Chatelaine mentioned that she was working on wording for the printing. The funds below have changed as the thrown weapons materials have come in.

The funds are now as follows:

General Fund: \$5,881.81

Practice Fund: \$212.61

Event Fund: \$5,914.10

Total: \$12,008.52

**Chronicler's Report:** Lady Eyfriðr reported that the VI was written and sent via email. She also reported on the Kingdom Chronicler meeting that happened. It was discussed that there are too many different social media outlets out there to cover them all as well as different locations for information. It was also discussed how some go

through different locations in order to compile the information in their newsletters and where they all look for that information. Furthermore, Kingdom Chronicler mentioned that she is having a hard time coming up with articles and would be interested in anyone wanting to submit a 500 word piece.

**MoAS:** Lady Taleza did not attend the meeting.

**Herald's Report:** Lady Orlaith reported that she had two names and 1 device. There was also an elevation for the Order of the Mark.

**Knight's Marshal's Report:** Lord Hamish reported that they had their first joint practice on June 21st and were working on setting dates to have practices twice per month. Other marshals would be providing their own practices based on schedules.

**Rapier Marshal's Report:** Wilhelm von Mansfeld reported that he will be trying to do practices on Wednesdays starting the first week of July.

**Thrown Weapons Marshal:** Lord Kynne reported that he got together with Hamish to get everything for target, ranged ropes, and materials. He just needs to assemble everything.

**Archery Captain:** Lord Luca reported that he was looking at starting practices on some Saturdays coming up.

**Web Minister's Report:** Lord Luca reported that the VI was posted to the site. He posted Thrown Weapons Marshal to the officer page and created the new emails for [thrown@baronyofwindhaven.org](mailto:thrown@baronyofwindhaven.org)

and [thrownweapons@baronyofwindhaven.org](mailto:thrownweapons@baronyofwindhaven.org) . The map is also updated with our vast lands.

Events Reminder: Do you have any events or practices going on? Please send the details to: [events@baronyofwindhaven.org](mailto:events@baronyofwindhaven.org) This will forward your events details to the Web Minister, Social Media, and Calendar; letting us stay on the same page and know what is going on. If you are hosting a practice, you can also use the same email address to let everyone know if you need to cancel.

**Social Media Deputy's Report:** THL Birna reported that she was playing with ideas for making events work more smoothly and not be as much work setting up. She would like to try setting up one event with a list of the events scheduled for the month. While individual events are awesome, Facebook doesn't make it user friendly.

### **Baron & Baron reports:**

Our Barons went to Kingdome A&S and were able to see the elevation of the Order of the Mark. They would like to encourage people to enter A&S in the future and have Baronial displays. They would like to set up the displays and ask everyone to show off what they are working on for feedback to see how it is received. Then after a few displays, we can go over the rubric with people to see how it is done at other events. There was an A&S display at our encampment at WW to start it off.

### **Help Wanted:**

Please bring your own chairs, banners, musical instruments and craft displays.

- **Missile Mayhem:** April 25th 2026. They are getting marshals and backup marshals for siege and combat archery. If you are interested in being a co-autocrat to learn more, Hamish would be happy to work with someone. Aesa started working on site tokens.
