

Division of Student, Family and School Services

Promotes student achievement and well-being by strategically creating and fostering connections among diverse families, community partners and schools. Following are brief descriptions of some of the programs and services offered.

- ❖ The **MCPS Parent Academy** offers free workshops that provide information for parents on topics such as the college preparation, parent advocacy, communicating with school staff, special education, organizational skills, social and emotional learning, helping children with homework and more. Visit www.mcpsparentacademy.org
- ❖ **Parent community coordinators (PCC)** provide regular family engagement and outreach support to assigned schools and also as requested by schools and parents without an assigned PCC. PCCs offer support in multiple foreign languages including Amharic, Arabic, Chinese, French, Korean, Spanish, Portuguese, and Vietnamese.
- ❖ **Individual family support** is provided for special education processes, parent–teacher conferences, hearings, and other issues that affect students and their families. Additionally, staff shares information and community resources, helps parents build their advocacy skills, and also assists schools with targeted outreach efforts, including home visits and phone calls.
- ❖ DSFSS provides **support to schools** in planning and implementing parent involvement programs, such as **Focus Groups, Welcoming Environment Walk-Throughs, parent meetings** and **workshops**, tailored to the needs of the school community.
