Early Booking Discount \$20 per person
4 Days, 3 Nights

Tuesday ♦ Travel Day

Today we'll travel to the great state of Maine, also known as Vacationland! Our waterfront accommodations for the next three nights are at the 4-Star Boothbay Harbor Inn. The Inn has sixty deluxe guestrooms, all with modern amenities and views of the working waterfront. Most have a balcony or patio (some private) and sunsets are their specialty! Located at the water's edge, next to the famous wooden footbridge, which provides easy access to the town of Boothbay Harbor. It's just a short walk to a wide variety of shops, galleries, restaurants and boating activities. The Boothbay Harbor Inn has been catering to groups for over 30 years. Dinner tonight is included at the Inn on the waterfront. (D)

Wednesday ♦ Boothbay Harbor

After an included buffet breakfast at the Inn, we'll enjoy a scenic harbor cruise on Linnekin Bay. We'll sail past beautiful vacation homes, lighthouses and small islands where seals sun themselves on the rocks.

Enjoy your free time today in Boothbay Harbor to explore the local galleries, boutiques and casual restaurants for lunch on your own. In the afternoon we'll take a guided tour of the Coastal Maine Botanical Gardens and walk the beautiful coastline along woodland paths. Here is where the majestic Maine woods meet the rocky shore.

Next, we'll visit the Boothbay Railway Village, a turn-of-the 20th-century Maine village displaying railroad memorabilia, antique cars and trucks, a restored blacksmith shop, a little red schoolhouse, historic Boothbay Town Hall, the Freeport Railway Station, Spruce Point Chapel and a general store. A ride on a narrow-gauge, coal-fired steam engine is included.

Our traditional lobster bake dinner will be held in the town hall, where the town's annual meeting takes place each May. The building was constructed at a cost of \$700 in 1847 and was later moved to its present

location. Our dinner includes Maine lobster or BBQ chicken with fish chowder, chips, corn on the cob, rolls, lemonade and blueberry cake for dessert. (B, D)

Thursday ♦ Rockport & Camden

After our buffet breakfast at the Inn, we'll meet our local guide for a full day exploring the mid-coast of Maine including stops in Rockport, Camden, and Mount Battie, where the mountains meet the sea. We'll tour the Maine Lighthouse Museum and view the Rockland Harbor Lighthouse that guards the harbor entrance.

Next, we'll drive through the city of Rockland, the lobster capital of the world. Later, we'll stop for lunch in the quaint village of Camden, one of Maine's most popular seaports. The Camden waterfront is lined with unique boutiques and casual restaurants where you can enjoy lunch on your own.

After lunch, we'll visit Owls Head Transportation Museum, featuring indoor and outdoor exhibits of more than 150 antique aircraft, WWI fighter planes, Stanley Steamer motorcars, motorcycles, bicycles and carriages, all in operating condition. After our tour, you'll have free time on your own to wander around at your own pace. We will return to the hotel intime to relax a bit, enjoy the Sunset Lounge and another delicious dinner on the waterfront. (B, D)

Friday ♦ Travel Home

After we enjoy a full breakfast at the Inn this morning, we'll depart for home with great memories of our coastal Maine vacation. (B)
