“RADICAL LOVE”
‘LOVE is God in Action’

“Go into all the world.., and preach the gospel.” Mark 16:15.

Global ministries: Julie Bate, Mark Reese, Kevin Berg, and Barb Krauss.

God is Agape LOVE:

“I want to be more respectful of LOVE itself, and not just the people it travels through.

I want to embrace its peace, applaud its creativity and thank its tenderness.

I want to admire the bravery of LOVE’S open and willing hand;

Acknowledge the strength, the adversity, and the up off of its knees fortitude;

And the gentleness of its embrace.

When I can see LOVE’S infinite colors- holding, accepting how much easier it will be
the beauty in all, possibly even me.”

“LOVE, LOVE, LOVE. That’s all you are going to hear in this church.”

“God gave His LOVE to you, to minister His LOVE through you.”
