## May 2013 President's Message

Well the year is well under way. The weather is warming up and soon the fish counts should be soaring. June will see an increase in limits for white sea bass and the lingcod seem to be bigger and more plentiful this year. The Whopper board numbers are beginning to show movement and everyone is past Fred Hall so all your new equipment should be in use.

The freshwater events sound like they are going well. I have missed them die to the kids program at Legg lake every third Saturday and Fishing in the City with California Fish and Game. I truly believe fishing will not exist without the next generation's involvement and commitment.

That is why I am always open to volunteer opportunities to help kids learn our sport. Next Month is the Friends of Rollo trip aka the Don Udlock Special and I hope as many club members as needed will turn out and volunteer your time and efforts with the kids. It is a very worthwhile and rewarding project and you can see where the raffle money went from the Awards banquet.

On that note, we are sponsoring a kid's trip, non-club sanctioned for Sunday August 18, 2013 on the San Pedro Special. We plan to take 40 club members and their kids or anyone you may want to introduce to fishing. The boat will leave at 12:30 so give yourself time to get there, get gear and a license is necessary. The price will be \$40.00 and everyone is welcome. If you want to come out for a nice Sunday afternoon and watch kids catch fish, please come. I have 17 confirmed reservations so far and will fill the boat on a first come first served basis. Hope to see you and your family there.

The T-shirts have been ordered and should arrive soon.

The newsletter needs your articles, the whopper board needs your pictures and if you know or want to share someone's knowledge with the club, we need to have suggestions for speakers. Club participation is the strength that makes us strong. Don't just attend meetings, participate, suggest, volunteer and fish.

Membership flyers are at most local tackle shops thanks to Denise. If you fish with someone, please invite them to a meeting and to join the club.

Hope to see you at a meeting or on the water soon.

Your President  
William L Davis

## **Fresh Water Event Update**

### **Here's a partial list of fresh water dates for 2013**

May 18      Lake Silverwood  
June 15      Lake Castaic

The April 28th trip to Lake Piru was a reel success. We had four members participate in a tight race to the finish There was a three way tie for big fish honors, Mike, Randy and Dave all had 2.2 lb. Bass. Sam's big one went 1.5 lb with several smaller fish in the mix.

The May 18th trip will be to Lake Silverwood. Since this is a great lake to float tube, we will again have a boat and float tube category. Tubers will compete amongst themselves and boats can enter to fish for Stripers or Large Mouth Bass. Be sure to enter early and check your tubes for leaks before you go. Remember all club members are eligible and this qualifies you for the 2013 Whopper Board. Also mark your calendar for the June 15th trip to Lake Castaic.

## Members Reports

### **Pacific Dawn Trip April 22, 2013 By Sam Zanrosso**

Monday was our 1<sup>st</sup> trip of three on the Pacific Dawn. The weather at home was sunny and bright. Mike Maurizio and I rode up together. We left home between 5:30 and 6:00pm. As we got closer to Ventura, the fog started coming in. We arrived at the landing about 7:15pm. Ron Coleman and his 3 guests had already checked in. We found out that the Pacific Dawn went all the way to St. Nicholas. Boy that is a way out there, between a 6 to 8 hour ride. The boat arrived at the landing around 9:30. By the time everyone off loaded and the boat was cleaned, we started loading around 10:30. We took off and after a bit we were all called in to the galley. To find out where we were going and received all the normal instruction. We headed out to San Miguel.

There were 18 anglers on the trip.

11 Club Members were;

Ron Coleman, Chuck Auer, Brain Peale, Sam Zanrosso, Mike Maurizio, Ron Hall, Ernie Branch, Don Merrill, Karl Penson, Anthony Aguilar, Kelly Miller  
and

7 Non-Members;

Karma Bell, Charlie Bell, Steve Larson, John Gorham, Michael Koon, Phil Beakes, Michael Erb.

After getting everything set for the next morning, everyone turned in for the night. The ride out to the island was smooth as glass. At day break folks started getting up and we were ready for the first drift. There was no breeze at all nor was there any current. Weather was overcast and not too cold. A few fish came up on the first drift along with some small Lings. We continued to move around and continued to pull in more Lings and other bottom fish. Pat the captain suggested we go to shallower water, around 120 feet. No much luck there. We went back out to deeper water around 290 feet. Same here, kind of slow but steady.

We closed out the day by catching 2 Cabezon, 182 Rockfish, 25 Lingcods.

We started home and started weighing the largest Lings. I pulled in a 7.4 pound ling and looked to be a contender. As a club member I did catch the largest ling, but John Gorham pulled in a 8.2 pound Ling winning the jackpot. Way to go John. Hopefully, John liked the trip and will become a member. We will see. Ernie will need to work on bring his guests into the club.

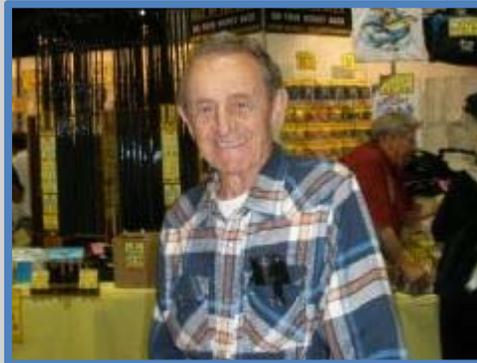

The ride back was as smooth as the ride out. All in all, it was a great trip with good friends and a great boat and crew.

Sam
